

Mental Capacity Act 2005

2005 CHAPTER 9

PART 1

PERSONS WHO LACK CAPACITY

The principles

1 The principles

- (1) The following principles apply for the purposes of this Act.
- (2) A person must be assumed to have capacity unless it is established that he lacks capacity.
- (3) A person is not to be treated as unable to make a decision unless all practicable steps to help him to do so have been taken without success.
- (4) A person is not to be treated as unable to make a decision merely because he makes an unwise decision.
- (5) An act done, or decision made, under this Act for or on behalf of a person who lacks capacity must be done, or made, in his best interests.
- (6) Before the act is done, or the decision is made, regard must be had to whether the purpose for which it is needed can be as effectively achieved in a way that is less restrictive of the person's rights and freedom of action.

Preliminary

2 People who lack capacity

- (1) For the purposes of this Act, a person lacks capacity in relation to a matter if at the material time he is unable to make a decision for himself in relation to the matter because of an impairment of, or a disturbance in the functioning of, the mind or brain.

Status: This is the original version (as it was originally enacted).

- (2) It does not matter whether the impairment or disturbance is permanent or temporary.
- (3) A lack of capacity cannot be established merely by reference to—
 - (a) a person's age or appearance, or
 - (b) a condition of his, or an aspect of his behaviour, which might lead others to make unjustified assumptions about his capacity.
- (4) In proceedings under this Act or any other enactment, any question whether a person lacks capacity within the meaning of this Act must be decided on the balance of probabilities.
- (5) No power which a person ("D") may exercise under this Act—
 - (a) in relation to a person who lacks capacity, or
 - (b) where D reasonably thinks that a person lacks capacity, is exercisable in relation to a person under 16.
- (6) Subsection (5) is subject to section 18(3).

3 Inability to make decisions

- (1) For the purposes of section 2, a person is unable to make a decision for himself if he is unable—
 - (a) to understand the information relevant to the decision,
 - (b) to retain that information,
 - (c) to use or weigh that information as part of the process of making the decision, or
 - (d) to communicate his decision (whether by talking, using sign language or any other means).
- (2) A person is not to be regarded as unable to understand the information relevant to a decision if he is able to understand an explanation of it given to him in a way that is appropriate to his circumstances (using simple language, visual aids or any other means).
- (3) The fact that a person is able to retain the information relevant to a decision for a short period only does not prevent him from being regarded as able to make the decision.
- (4) The information relevant to a decision includes information about the reasonably foreseeable consequences of—
 - (a) deciding one way or another, or
 - (b) failing to make the decision.

4 Best interests

- (1) In determining for the purposes of this Act what is in a person's best interests, the person making the determination must not make it merely on the basis of—
 - (a) the person's age or appearance, or
 - (b) a condition of his, or an aspect of his behaviour, which might lead others to make unjustified assumptions about what might be in his best interests.
- (2) The person making the determination must consider all the relevant circumstances and, in particular, take the following steps.

- (3) He must consider—
- (a) whether it is likely that the person will at some time have capacity in relation to the matter in question, and
 - (b) if it appears likely that he will, when that is likely to be.
- (4) He must, so far as reasonably practicable, permit and encourage the person to participate, or to improve his ability to participate, as fully as possible in any act done for him and any decision affecting him.
- (5) Where the determination relates to life-sustaining treatment he must not, in considering whether the treatment is in the best interests of the person concerned, be motivated by a desire to bring about his death.
- (6) He must consider, so far as is reasonably ascertainable—
- (a) the person’s past and present wishes and feelings (and, in particular, any relevant written statement made by him when he had capacity),
 - (b) the beliefs and values that would be likely to influence his decision if he had capacity, and
 - (c) the other factors that he would be likely to consider if he were able to do so.
- (7) He must take into account, if it is practicable and appropriate to consult them, the views of—
- (a) anyone named by the person as someone to be consulted on the matter in question or on matters of that kind,
 - (b) anyone engaged in caring for the person or interested in his welfare,
 - (c) any donee of a lasting power of attorney granted by the person, and
 - (d) any deputy appointed for the person by the court,
- as to what would be in the person’s best interests and, in particular, as to the matters mentioned in subsection (6).
- (8) The duties imposed by subsections (1) to (7) also apply in relation to the exercise of any powers which—
- (a) are exercisable under a lasting power of attorney, or
 - (b) are exercisable by a person under this Act where he reasonably believes that another person lacks capacity.
- (9) In the case of an act done, or a decision made, by a person other than the court, there is sufficient compliance with this section if (having complied with the requirements of subsections (1) to (7)) he reasonably believes that what he does or decides is in the best interests of the person concerned.
- (10) “Life-sustaining treatment” means treatment which in the view of a person providing health care for the person concerned is necessary to sustain life.
- (11) “Relevant circumstances” are those—
- (a) of which the person making the determination is aware, and
 - (b) which it would be reasonable to regard as relevant.

5 Acts in connection with care or treatment

- (1) If a person (“D”) does an act in connection with the care or treatment of another person (“P”), the act is one to which this section applies if—

Status: This is the original version (as it was originally enacted).

- (a) before doing the act, D takes reasonable steps to establish whether P lacks capacity in relation to the matter in question, and
 - (b) when doing the act, D reasonably believes—
 - (i) that P lacks capacity in relation to the matter, and
 - (ii) that it will be in P's best interests for the act to be done.
- (2) D does not incur any liability in relation to the act that he would not have incurred if P—
- (a) had had capacity to consent in relation to the matter, and
 - (b) had consented to D's doing the act.
- (3) Nothing in this section excludes a person's civil liability for loss or damage, or his criminal liability, resulting from his negligence in doing the act.
- (4) Nothing in this section affects the operation of sections 24 to 26 (advance decisions to refuse treatment).

6 Section 5 acts: limitations

- (1) If D does an act that is intended to restrain P, it is not an act to which section 5 applies unless two further conditions are satisfied.
- (2) The first condition is that D reasonably believes that it is necessary to do the act in order to prevent harm to P.
- (3) The second is that the act is a proportionate response to—
- (a) the likelihood of P's suffering harm, and
 - (b) the seriousness of that harm.
- (4) For the purposes of this section D restrains P if he—
- (a) uses, or threatens to use, force to secure the doing of an act which P resists, or
 - (b) restricts P's liberty of movement, whether or not P resists.
- (5) But D does more than merely restrain P if he deprives P of his liberty within the meaning of Article 5(1) of the Human Rights Convention (whether or not D is a public authority).
- (6) Section 5 does not authorise a person to do an act which conflicts with a decision made, within the scope of his authority and in accordance with this Part, by—
- (a) a donee of a lasting power of attorney granted by P, or
 - (b) a deputy appointed for P by the court.
- (7) But nothing in subsection (6) stops a person—
- (a) providing life-sustaining treatment, or
 - (b) doing any act which he reasonably believes to be necessary to prevent a serious deterioration in P's condition,
- while a decision as respects any relevant issue is sought from the court.

7 Payment for necessary goods and services

- (1) If necessary goods or services are supplied to a person who lacks capacity to contract for the supply, he must pay a reasonable price for them.

- (2) “Necessary” means suitable to a person’s condition in life and to his actual requirements at the time when the goods or services are supplied.

8 Expenditure

- (1) If an act to which section 5 applies involves expenditure, it is lawful for D—
- (a) to pledge P’s credit for the purpose of the expenditure, and
 - (b) to apply money in P’s possession for meeting the expenditure.
- (2) If the expenditure is borne for P by D, it is lawful for D—
- (a) to reimburse himself out of money in P’s possession, or
 - (b) to be otherwise indemnified by P.
- (3) Subsections (1) and (2) do not affect any power under which (apart from those subsections) a person—
- (a) has lawful control of P’s money or other property, and
 - (b) has power to spend money for P’s benefit.

Lasting powers of attorney

9 Lasting powers of attorney

- (1) A lasting power of attorney is a power of attorney under which the donor (“P”) confers on the donee (or donees) authority to make decisions about all or any of the following—
- (a) P’s personal welfare or specified matters concerning P’s personal welfare, and
 - (b) P’s property and affairs or specified matters concerning P’s property and affairs,
- and which includes authority to make such decisions in circumstances where P no longer has capacity.
- (2) A lasting power of attorney is not created unless—
- (a) section 10 is complied with,
 - (b) an instrument conferring authority of the kind mentioned in subsection (1) is made and registered in accordance with Schedule 1, and
 - (c) at the time when P executes the instrument, P has reached 18 and has capacity to execute it.
- (3) An instrument which—
- (a) purports to create a lasting power of attorney, but
 - (b) does not comply with this section, section 10 or Schedule 1,
- confers no authority.
- (4) The authority conferred by a lasting power of attorney is subject to—
- (a) the provisions of this Act and, in particular, sections 1 (the principles) and 4 (best interests), and
 - (b) any conditions or restrictions specified in the instrument.

10 Appointment of donees

- (1) A donee of a lasting power of attorney must be—
 - (a) an individual who has reached 18, or
 - (b) if the power relates only to P's property and affairs, either such an individual or a trust corporation.
- (2) An individual who is bankrupt may not be appointed as donee of a lasting power of attorney in relation to P's property and affairs.
- (3) Subsections (4) to (7) apply in relation to an instrument under which two or more persons are to act as donees of a lasting power of attorney.
- (4) The instrument may appoint them to act—
 - (a) jointly,
 - (b) jointly and severally, or
 - (c) jointly in respect of some matters and jointly and severally in respect of others.
- (5) To the extent to which it does not specify whether they are to act jointly or jointly and severally, the instrument is to be assumed to appoint them to act jointly.
- (6) If they are to act jointly, a failure, as respects one of them, to comply with the requirements of subsection (1) or (2) or Part 1 or 2 of Schedule 1 prevents a lasting power of attorney from being created.
- (7) If they are to act jointly and severally, a failure, as respects one of them, to comply with the requirements of subsection (1) or (2) or Part 1 or 2 of Schedule 1—
 - (a) prevents the appointment taking effect in his case, but
 - (b) does not prevent a lasting power of attorney from being created in the case of the other or others.
- (8) An instrument used to create a lasting power of attorney—
 - (a) cannot give the donee (or, if more than one, any of them) power to appoint a substitute or successor, but
 - (b) may itself appoint a person to replace the donee (or, if more than one, any of them) on the occurrence of an event mentioned in section 13(6)(a) to (d) which has the effect of terminating the donee's appointment.

11 Lasting powers of attorney: restrictions

- (1) A lasting power of attorney does not authorise the donee (or, if more than one, any of them) to do an act that is intended to restrain P, unless three conditions are satisfied.
- (2) The first condition is that P lacks, or the donee reasonably believes that P lacks, capacity in relation to the matter in question.
- (3) The second is that the donee reasonably believes that it is necessary to do the act in order to prevent harm to P.
- (4) The third is that the act is a proportionate response to—
 - (a) the likelihood of P's suffering harm, and
 - (b) the seriousness of that harm.
- (5) For the purposes of this section, the donee restrains P if he—
 - (a) uses, or threatens to use, force to secure the doing of an act which P resists, or

- (b) restricts P's liberty of movement, whether or not P resists, or if he authorises another person to do any of those things.
- (6) But the donee does more than merely restrain P if he deprives P of his liberty within the meaning of Article 5(1) of the Human Rights Convention.
- (7) Where a lasting power of attorney authorises the donee (or, if more than one, any of them) to make decisions about P's personal welfare, the authority—
 - (a) does not extend to making such decisions in circumstances other than those where P lacks, or the donee reasonably believes that P lacks, capacity,
 - (b) is subject to sections 24 to 26 (advance decisions to refuse treatment), and
 - (c) extends to giving or refusing consent to the carrying out or continuation of a treatment by a person providing health care for P.
- (8) But subsection (7)(c)—
 - (a) does not authorise the giving or refusing of consent to the carrying out or continuation of life-sustaining treatment, unless the instrument contains express provision to that effect, and
 - (b) is subject to any conditions or restrictions in the instrument.

12 Scope of lasting powers of attorney: gifts

- (1) Where a lasting power of attorney confers authority to make decisions about P's property and affairs, it does not authorise a donee (or, if more than one, any of them) to dispose of the donor's property by making gifts except to the extent permitted by subsection (2).
- (2) The donee may make gifts—
 - (a) on customary occasions to persons (including himself) who are related to or connected with the donor, or
 - (b) to any charity to whom the donor made or might have been expected to make gifts,if the value of each such gift is not unreasonable having regard to all the circumstances and, in particular, the size of the donor's estate.
- (3) "Customary occasion" means—
 - (a) the occasion or anniversary of a birth, a marriage or the formation of a civil partnership, or
 - (b) any other occasion on which presents are customarily given within families or among friends or associates.
- (4) Subsection (2) is subject to any conditions or restrictions in the instrument.

13 Revocation of lasting powers of attorney etc.

- (1) This section applies if—
 - (a) P has executed an instrument with a view to creating a lasting power of attorney, or
 - (b) a lasting power of attorney is registered as having been conferred by P, and in this section references to revoking the power include revoking the instrument.
- (2) P may, at any time when he has capacity to do so, revoke the power.

Status: This is the original version (as it was originally enacted).

- (3) P's bankruptcy revokes the power so far as it relates to P's property and affairs.
- (4) But where P is bankrupt merely because an interim bankruptcy restrictions order has effect in respect of him, the power is suspended, so far as it relates to P's property and affairs, for so long as the order has effect.
- (5) The occurrence in relation to a donee of an event mentioned in subsection (6)—
 - (a) terminates his appointment, and
 - (b) except in the cases given in subsection (7), revokes the power.
- (6) The events are—
 - (a) the disclaimer of the appointment by the donee in accordance with such requirements as may be prescribed for the purposes of this section in regulations made by the Lord Chancellor,
 - (b) subject to subsections (8) and (9), the death or bankruptcy of the donee or, if the donee is a trust corporation, its winding-up or dissolution,
 - (c) subject to subsection (11), the dissolution or annulment of a marriage or civil partnership between the donor and the donee,
 - (d) the lack of capacity of the donee.
- (7) The cases are—
 - (a) the donee is replaced under the terms of the instrument,
 - (b) he is one of two or more persons appointed to act as donees jointly and severally in respect of any matter and, after the event, there is at least one remaining donee.
- (8) The bankruptcy of a donee does not terminate his appointment, or revoke the power, in so far as his authority relates to P's personal welfare.
- (9) Where the donee is bankrupt merely because an interim bankruptcy restrictions order has effect in respect of him, his appointment and the power are suspended, so far as they relate to P's property and affairs, for so long as the order has effect.
- (10) Where the donee is one of two or more appointed to act jointly and severally under the power in respect of any matter, the reference in subsection (9) to the suspension of the power is to its suspension in so far as it relates to that donee.
- (11) The dissolution or annulment of a marriage or civil partnership does not terminate the appointment of a donee, or revoke the power, if the instrument provided that it was not to do so.

14 Protection of donee and others if no power created or power revoked

- (1) Subsections (2) and (3) apply if—
 - (a) an instrument has been registered under Schedule 1 as a lasting power of attorney, but
 - (b) a lasting power of attorney was not created,whether or not the registration has been cancelled at the time of the act or transaction in question.
- (2) A donee who acts in purported exercise of the power does not incur any liability (to P or any other person) because of the non-existence of the power unless at the time of acting he—

- (a) knows that a lasting power of attorney was not created, or
 - (b) is aware of circumstances which, if a lasting power of attorney had been created, would have terminated his authority to act as a donee.
- (3) Any transaction between the donee and another person is, in favour of that person, as valid as if the power had been in existence, unless at the time of the transaction that person has knowledge of a matter referred to in subsection (2).
- (4) If the interest of a purchaser depends on whether a transaction between the donee and the other person was valid by virtue of subsection (3), it is conclusively presumed in favour of the purchaser that the transaction was valid if—
- (a) the transaction was completed within 12 months of the date on which the instrument was registered, or
 - (b) the other person makes a statutory declaration, before or within 3 months after the completion of the purchase, that he had no reason at the time of the transaction to doubt that the donee had authority to dispose of the property which was the subject of the transaction.
- (5) In its application to a lasting power of attorney which relates to matters in addition to P’s property and affairs, section 5 of the Powers of Attorney Act 1971 (c. 27) (protection where power is revoked) has effect as if references to revocation included the cessation of the power in relation to P’s property and affairs.
- (6) Where two or more donees are appointed under a lasting power of attorney, this section applies as if references to the donee were to all or any of them.

General powers of the court and appointment of deputies

15 Power to make declarations

- (1) The court may make declarations as to—
- (a) whether a person has or lacks capacity to make a decision specified in the declaration;
 - (b) whether a person has or lacks capacity to make decisions on such matters as are described in the declaration;
 - (c) the lawfulness or otherwise of any act done, or yet to be done, in relation to that person.
- (2) “Act” includes an omission and a course of conduct.

16 Powers to make decisions and appoint deputies: general

- (1) This section applies if a person (“P”) lacks capacity in relation to a matter or matters concerning—
- (a) P’s personal welfare, or
 - (b) P’s property and affairs.

- (a) by making an order, make the decision or decisions on P’s behalf in relation to the matter or matters, or
 - (b) appoint a person (a “deputy”) to make decisions on P’s behalf in relation to the matter or matters.

Status: This is the original version (as it was originally enacted).

- (3) The powers of the court under this section are subject to the provisions of this Act and, in particular, to sections 1 (the principles) and 4 (best interests).
- (4) When deciding whether it is in P's best interests to appoint a deputy, the court must have regard (in addition to the matters mentioned in section 4) to the principles that—
 - (a) a decision by the court is to be preferred to the appointment of a deputy to make a decision, and
 - (b) the powers conferred on a deputy should be as limited in scope and duration as is reasonably practicable in the circumstances.
- (5) The court may make such further orders or give such directions, and confer on a deputy such powers or impose on him such duties, as it thinks necessary or expedient for giving effect to, or otherwise in connection with, an order or appointment made by it under subsection (2).
- (6) Without prejudice to section 4, the court may make the order, give the directions or make the appointment on such terms as it considers are in P's best interests, even though no application is before the court for an order, directions or an appointment on those terms.
- (7) An order of the court may be varied or discharged by a subsequent order.
- (8) The court may, in particular, revoke the appointment of a deputy or vary the powers conferred on him if it is satisfied that the deputy—
 - (a) has behaved, or is behaving, in a way that contravenes the authority conferred on him by the court or is not in P's best interests, or
 - (b) proposes to behave in a way that would contravene that authority or would not be in P's best interests.

17 Section 16 powers: personal welfare

- (1) The powers under section 16 as respects P's personal welfare extend in particular to—

 - (b) deciding what contact, if any, P is to have with any specified persons;

 - (d) giving or refusing consent to the carrying out or continuation of a treatment by a person providing health care for P;
 - (e) giving a direction that a person responsible for P's health care allow a different person to take over that responsibility.
- (2) Subsection (1) is subject to section 20 (restrictions on deputies).

18 Section 16 powers: property and affairs

- (1) The powers under section 16 as respects P's property and affairs extend in particular to—
 - (a) the control and management of P's property;
 - (b) the sale, exchange, charging, gift or other disposition of P's property;
 - (c) the acquisition of property in P's name or on P's behalf;
 - (d) the carrying on, on P's behalf, of any profession, trade or business;

- (e) the taking of a decision which will have the effect of dissolving a partnership of which P is a member;
 - (f) the carrying out of any contract entered into by P;
 - (g) the discharge of P's debts and of any of P's obligations, whether legally enforceable or not;
 - (h) the settlement of any of P's property, whether for P's benefit or for the benefit of others;
 - (i) the execution for P of a will;
 - (j) the exercise of any power (including a power to consent) vested in P whether beneficially or as trustee or otherwise;
 - (k) the conduct of legal proceedings in P's name or on P's behalf.
- (2) No will may be made under subsection (1)(i) at a time when P has not reached 18.
- (3) The powers under section 16 as respects any other matter relating to P's property and affairs may be exercised even though P has not reached 16, if the court considers it likely that P will still lack capacity to make decisions in respect of that matter when he reaches 18.
- (4) Schedule 2 supplements the provisions of this section.
- (5) Section 16(7) (variation and discharge of court orders) is subject to paragraph 6 of Schedule 2.
- (6) Subsection (1) is subject to section 20 (restrictions on deputies).

19 Appointment of deputies

- (1) A deputy appointed by the court must be—
- (a) an individual who has reached 18, or
 - (b) as respects powers in relation to property and affairs, an individual who has reached 18 or a trust corporation.
- (2) The court may appoint an individual by appointing the holder for the time being of a specified office or position.
- (3) A person may not be appointed as a deputy without his consent.
- (4) The court may appoint two or more deputies to act—
- (a) jointly,
 - (b) jointly and severally, or
 - (c) jointly in respect of some matters and jointly and severally in respect of others.
- (5) When appointing a deputy or deputies, the court may at the same time appoint one or more other persons to succeed the existing deputy or those deputies—
- (a) in such circumstances, or on the happening of such events, as may be specified by the court;
 - (b) for such period as may be so specified.
- (6) A deputy is to be treated as P's agent in relation to anything done or decided by him within the scope of his appointment and in accordance with this Part.
- (7) The deputy is entitled—

Status: This is the original version (as it was originally enacted).

- (a) to be reimbursed out of P's property for his reasonable expenses in discharging his functions, and
 - (b) if the court so directs when appointing him, to remuneration out of P's property for discharging them.
- (8) The court may confer on a deputy powers to—
- (a) take possession or control of all or any specified part of P's property;
 - (b) exercise all or any specified powers in respect of it, including such powers of investment as the court may determine.
- (9) The court may require a deputy—
- (a) to give to the Public Guardian such security as the court thinks fit for the due discharge of his functions, and
 - (b) to submit to the Public Guardian such reports at such times or at such intervals as the court may direct.

20 Restrictions on deputies

- (1) A deputy does not have power to make a decision on behalf of P in relation to a matter if he knows or has reasonable grounds for believing that P has capacity in relation to the matter.
- (2) Nothing in section 16(5) or 17 permits a deputy to be given power—
- (a) to prohibit a named person from having contact with P;
 - (b) to direct a person responsible for P's health care to allow a different person to take over that responsibility.
- (3) A deputy may not be given powers with respect to—
- (a) the settlement of any of P's property, whether for P's benefit or for the benefit of others,
 - (b) the execution for P of a will, or
 - (c) the exercise of any power (including a power to consent) vested in P whether beneficially or as trustee or otherwise.
- (4) A deputy may not be given power to make a decision on behalf of P which is inconsistent with a decision made, within the scope of his authority and in accordance with this Act, by the donee of a lasting power of attorney granted by P (or, if there is more than one donee, by any of them).
- (5) A deputy may not refuse consent to the carrying out or continuation of life-sustaining treatment in relation to P.
- (6) The authority conferred on a deputy is subject to the provisions of this Act and, in particular, sections 1 (the principles) and 4 (best interests).
- (7) A deputy may not do an act that is intended to restrain P unless four conditions are satisfied.
- (8) The first condition is that, in doing the act, the deputy is acting within the scope of an authority expressly conferred on him by the court.
- (9) The second is that P lacks, or the deputy reasonably believes that P lacks, capacity in relation to the matter in question.

- (10) The third is that the deputy reasonably believes that it is necessary to do the act in order to prevent harm to P.
- (11) The fourth is that the act is a proportionate response to—
 - (a) the likelihood of P’s suffering harm, or
 - (b) the seriousness of that harm.
- (12) For the purposes of this section, a deputy restrains P if he—
 - (a) uses, or threatens to use, force to secure the doing of an act which P resists, or
 - (b) restricts P’s liberty of movement, whether or not P resists,or if he authorises another person to do any of those things.
- (13) But a deputy does more than merely restrain P if he deprives P of his liberty within the meaning of Article 5(1) of the Human Rights Convention (whether or not the deputy is a public authority).

21 Transfer of proceedings relating to people under 18

The Lord Chancellor may by order make provision as to the transfer of proceedings relating to a person under 18, in such circumstances as are specified in the order—

- (a) from the Court of Protection to a court having jurisdiction under the Children Act 1989 (c. 41), or
- (b) from a court having jurisdiction under that Act to the Court of Protection.

Powers of the court in relation to lasting powers of attorney

22 Powers of court in relation to validity of lasting powers of attorney

- (1) This section and section 23 apply if —
 - (a) a person (“P”) has executed or purported to execute an instrument with a view to creating a lasting power of attorney, or
 - (b) an instrument has been registered as a lasting power of attorney conferred by P.
- (2) The court may determine any question relating to—
 - (a) whether one or more of the requirements for the creation of a lasting power of attorney have been met;
 - (b) whether the power has been revoked or has otherwise come to an end.
- (3) Subsection (4) applies if the court is satisfied—
 - (a) that fraud or undue pressure was used to induce P—
 - (i) to execute an instrument for the purpose of creating a lasting power of attorney, or
 - (ii) to create a lasting power of attorney, or
 - (b) that the donee (or, if more than one, any of them) of a lasting power of attorney—
 - (i) has behaved, or is behaving, in a way that contravenes his authority or is not in P’s best interests, or
 - (ii) proposes to behave in a way that would contravene his authority or would not be in P’s best interests.

Status: This is the original version (as it was originally enacted).

- (4) The court may—
- (a) direct that an instrument purporting to create the lasting power of attorney is not to be registered, or
 - (b) if P lacks capacity to do so, revoke the instrument or the lasting power of attorney.
- (5) If there is more than one donee, the court may under subsection (4)(b) revoke the instrument or the lasting power of attorney so far as it relates to any of them.

- (2) The court may—
- (a) give directions with respect to decisions—
 - (i) which the donee of a lasting power of attorney has authority to make, and
 - (ii) which P lacks capacity to make;
 - (b) give any consent or authorisation to act which the donee would have to obtain from P if P had capacity to give it.
- (3) The court may, if P lacks capacity to do so—
- (a) give directions to the donee with respect to the rendering by him of reports or accounts and the production of records kept by him for that purpose;
 - (b) require the donee to supply information or produce documents or things in his possession as donee;
 - (c) give directions with respect to the remuneration or expenses of the donee;

Advance decisions to refuse treatment

24 Advance decisions to refuse treatment: general

- (1) “Advance decision” means a decision made by a person (“P”), after he has reached 18 and when he has capacity to do so, that if—
- (a) at a later time and in such circumstances as he may specify, a specified treatment is proposed to be carried out or continued by a person providing health care for him, and
 - (b) at that time he lacks capacity to consent to the carrying out or continuation of the treatment,
- the specified treatment is not to be carried out or continued.

- (2) For the purposes of subsection (1)(a), a decision may be regarded as specifying a treatment or circumstances even though expressed in layman's terms.
- (3) P may withdraw or alter an advance decision at any time when he has capacity to do so.
- (4) A withdrawal (including a partial withdrawal) need not be in writing.
- (5) An alteration of an advance decision need not be in writing (unless section 25(5) applies in relation to the decision resulting from the alteration).

25 Validity and applicability of advance decisions

- (1) An advance decision does not affect the liability which a person may incur for carrying out or continuing a treatment in relation to P unless the decision is at the material time—
 - (a) valid, and
 - (b) applicable to the treatment.
- (2) An advance decision is not valid if P—
 - (a) has withdrawn the decision at a time when he had capacity to do so,
 - (b) has, under a lasting power of attorney created after the advance decision was made, conferred authority on the donee (or, if more than one, any of them) to give or refuse consent to the treatment to which the advance decision relates, or
 - (c) has done anything else clearly inconsistent with the advance decision remaining his fixed decision.
- (3) An advance decision is not applicable to the treatment in question if at the material time P has capacity to give or refuse consent to it.
- (4) An advance decision is not applicable to the treatment in question if—
 - (a) that treatment is not the treatment specified in the advance decision,
 - (b) any circumstances specified in the advance decision are absent, or
 - (c) there are reasonable grounds for believing that circumstances exist which P did not anticipate at the time of the advance decision and which would have affected his decision had he anticipated them.
- (5) An advance decision is not applicable to life-sustaining treatment unless—
 - (a) the decision is verified by a statement by P to the effect that it is to apply to that treatment even if life is at risk, and
 - (b) the decision and statement comply with subsection (6).
- (6) A decision or statement complies with this subsection only if—
 - (a) it is in writing,
 - (b) it is signed by P or by another person in P's presence and by P's direction,
 - (c) the signature is made or acknowledged by P in the presence of a witness, and
 - (d) the witness signs it, or acknowledges his signature, in P's presence.
- (7) The existence of any lasting power of attorney other than one of a description mentioned in subsection (2)(b) does not prevent the advance decision from being regarded as valid and applicable.

Status: This is the original version (as it was originally enacted).

26 Effect of advance decisions

- (1) If P has made an advance decision which is—
 - (a) valid, and
 - (b) applicable to a treatment,
 the decision has effect as if he had made it, and had had capacity to make it, at the time when the question arises whether the treatment should be carried out or continued.
- (2) A person does not incur liability for carrying out or continuing the treatment unless, at the time, he is satisfied that an advance decision exists which is valid and applicable to the treatment.
- (3) A person does not incur liability for the consequences of withholding or withdrawing a treatment from P if, at the time, he reasonably believes that an advance decision exists which is valid and applicable to the treatment.
- (4) The court may make a declaration as to whether an advance decision—
 - (a) exists;
 - (b) is valid;
 - (c) is applicable to a treatment.
- (5) Nothing in an apparent advance decision stops a person—
 - (a) providing life-sustaining treatment, or
 - (b) doing any act he reasonably believes to be necessary to prevent a serious deterioration in P's condition,
 while a decision as respects any relevant issue is sought from the court.

- (2) “Referendum” has the same meaning as in section 101 of the Political Parties, Elections and Referendums Act 2000 (c. 41).

Research

30 Research

- (1) Intrusive research carried out on, or in relation to, a person who lacks capacity to consent to it is unlawful unless it is carried out—
 - (a) as part of a research project which is for the time being approved by the appropriate body for the purposes of this Act in accordance with section 31, and
 - (b) in accordance with sections 32 and 33.
- (2) Research is intrusive if it is of a kind that would be unlawful if it was carried out—
 - (a) on or in relation to a person who had capacity to consent to it, but
 - (b) without his consent.
- (3) A clinical trial which is subject to the provisions of clinical trials regulations is not to be treated as research for the purposes of this section.
- (4) “Appropriate body”, in relation to a research project, means the person, committee or other body specified in regulations made by the appropriate authority as the appropriate body in relation to a project of the kind in question.
- (5) “Clinical trials regulations” means—
 - (a) the Medicines for Human Use (Clinical Trials) Regulations 2004 ([S.I. 2004/1031](#)) and any other regulations replacing those regulations or amending them, and
 - (b) any other regulations relating to clinical trials and designated by the Secretary of State as clinical trials regulations for the purposes of this section.
- (6) In this section, section 32 and section 34, “appropriate authority” means—
 - (a) in relation to the carrying out of research in England, the Secretary of State, and
 - (b) in relation to the carrying out of research in Wales, the National Assembly for Wales.

31 Requirements for approval

- (1) The appropriate body may not approve a research project for the purposes of this Act unless satisfied that the following requirements will be met in relation to research carried out as part of the project on, or in relation to, a person who lacks capacity to consent to taking part in the project (“P”).
- (2) The research must be connected with—
 - (a) an impairing condition affecting P, or
 - (b) its treatment.
- (3) “Impairing condition” means a condition which is (or may be) attributable to, or which causes or contributes to (or may cause or contribute to), the impairment of, or disturbance in the functioning of, the mind or brain.
- (4) There must be reasonable grounds for believing that research of comparable effectiveness cannot be carried out if the project has to be confined to, or relate only to, persons who have capacity to consent to taking part in it.
- (5) The research must—
 - (a) have the potential to benefit P without imposing on P a burden that is disproportionate to the potential benefit to P, or
 - (b) be intended to provide knowledge of the causes or treatment of, or of the care of persons affected by, the same or a similar condition.
- (6) If the research falls within paragraph (b) of subsection (5) but not within paragraph (a), there must be reasonable grounds for believing—
 - (a) that the risk to P from taking part in the project is likely to be negligible, and
 - (b) that anything done to, or in relation to, P will not—
 - (i) interfere with P’s freedom of action or privacy in a significant way, or
 - (ii) be unduly invasive or restrictive.
- (7) There must be reasonable arrangements in place for ensuring that the requirements of sections 32 and 33 will be met.

32 Consulting carers etc.

- (1) This section applies if a person (“R”)—
 - (a) is conducting an approved research project, and
 - (b) wishes to carry out research, as part of the project, on or in relation to a person (“P”) who lacks capacity to consent to taking part in the project.
- (2) R must take reasonable steps to identify a person who—
 - (a) otherwise than in a professional capacity or for remuneration, is engaged in caring for P or is interested in P’s welfare, and
 - (b) is prepared to be consulted by R under this section.
- (3) If R is unable to identify such a person he must, in accordance with guidance issued by the appropriate authority, nominate a person who—
 - (a) is prepared to be consulted by R under this section, but
 - (b) has no connection with the project.
- (4) R must provide the person identified under subsection (2), or nominated under subsection (3), with information about the project and ask him—

- (a) for advice as to whether P should take part in the project, and
 - (b) what, in his opinion, P's wishes and feelings about taking part in the project would be likely to be if P had capacity in relation to the matter.
- (5) If, at any time, the person consulted advises R that in his opinion P's wishes and feelings would be likely to lead him to decline to take part in the project (or to wish to withdraw from it) if he had capacity in relation to the matter, R must ensure—
- (a) if P is not already taking part in the project, that he does not take part in it;
 - (b) if P is taking part in the project, that he is withdrawn from it.
- (6) But subsection (5)(b) does not require treatment that P has been receiving as part of the project to be discontinued if R has reasonable grounds for believing that there would be a significant risk to P's health if it were discontinued.
- (7) The fact that a person is the donee of a lasting power of attorney given by P, or is P's deputy, does not prevent him from being the person consulted under this section.
- (8) Subsection (9) applies if treatment is being, or is about to be, provided for P as a matter of urgency and R considers that, having regard to the nature of the research and of the particular circumstances of the case—
- (a) it is also necessary to take action for the purposes of the research as a matter of urgency, but
 - (b) it is not reasonably practicable to consult under the previous provisions of this section.
- (9) R may take the action if—
- (a) he has the agreement of a registered medical practitioner who is not involved in the organisation or conduct of the research project, or
 - (b) where it is not reasonably practicable in the time available to obtain that agreement, he acts in accordance with a procedure approved by the appropriate body at the time when the research project was approved under section 31.
- (10) But R may not continue to act in reliance on subsection (9) if he has reasonable grounds for believing that it is no longer necessary to take the action as a matter of urgency.

33 Additional safeguards

- (1) This section applies in relation to a person who is taking part in an approved research project even though he lacks capacity to consent to taking part.
- (2) Nothing may be done to, or in relation to, him in the course of the research—
- (a) to which he appears to object (whether by showing signs of resistance or otherwise) except where what is being done is intended to protect him from harm or to reduce or prevent pain or discomfort, or
 - (b) which would be contrary to—
 - (i) an advance decision of his which has effect, or
 - (ii) any other form of statement made by him and not subsequently withdrawn,
of which R is aware.
- (3) The interests of the person must be assumed to outweigh those of science and society.

Status: This is the original version (as it was originally enacted).

- (4) If he indicates (in any way) that he wishes to be withdrawn from the project he must be withdrawn without delay.
- (5) P must be withdrawn from the project, without delay, if at any time the person conducting the research has reasonable grounds for believing that one or more of the requirements set out in section 31(2) to (7) is no longer met in relation to research being carried out on, or in relation to, P.
- (6) But neither subsection (4) nor subsection (5) requires treatment that P has been receiving as part of the project to be discontinued if R has reasonable grounds for believing that there would be a significant risk to P's health if it were discontinued.

34 Loss of capacity during research project

- (1) This section applies where a person ("P")—
 - (a) has consented to take part in a research project begun before the commencement of section 30, but
 - (b) before the conclusion of the project, loses capacity to consent to continue to take part in it.
- (2) The appropriate authority may by regulations provide that, despite P's loss of capacity, research of a prescribed kind may be carried out on, or in relation to, P if—
 - (a) the project satisfies prescribed requirements,
 - (b) any information or material relating to P which is used in the research is of a prescribed description and was obtained before P's loss of capacity, and
 - (c) the person conducting the project takes in relation to P such steps as may be prescribed for the purpose of protecting him.
- (3) The regulations may, in particular,—
