SECTION 2

**RULES OF CONDUCT FOR SYSTEM VENDORS**

*Article 7*

**Marketing Information Data Tapes ('MIDT')**

1 Any marketing, booking and sales data may be made available by system vendors provided that such data are offered with equal timeliness and on a non-discriminatory basis to all participating carriers, including parent carriers. Data may and, on request, shall cover all participating carriers and/or subscribers.

2 Participating carriers shall not use such data in order to influence the choice of the subscriber.

3 Where such data result from the use of the distribution facilities of a CRS by a subscriber established in the Community, they shall include no identification either directly or indirectly of that subscriber unless the subscriber and the system vendor agree on the conditions for the appropriate use of such data. This applies equally to the supply of such data by the system vendors to any other party for use by this party other than for billing settlement.
