COUNCIL REGULATION (EU) No 24/2014

of 10 January 2014

fixing for 2014 the fishing opportunities for certain fish stocks and groups of fish stocks in the Black Sea

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 43(3) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) Article 43(3) of the Treaty provides that the Council, on a proposal from the Commission, is to adopt measures on the fixing and allocation of fishing opportunities.
- (2) Regulation (EU) No 1380/2013 of the European Parliament and of the Council⁽¹⁾ requires that conservation measures be adopted taking into account available scientific, technical and economic advice, including, where relevant, reports drawn up by the Scientific, Technical and Economic Committee for Fisheries (STECF).
- (3) It is incumbent upon the Council to adopt measures on the fixing and allocation of fishing opportunities by fishery or group of fisheries in the Black Sea, including certain conditions functionally linked thereto, as appropriate. Fishing opportunities should be allocated to Member States in such a way as to ensure relative stability of fishing activities of each Member State for each fish stock or fishery and having due regard to the objectives of the Common Fisheries Policy established in Regulation (EU) No 1380/2013.
- (4) TACs should be established on the basis of the available scientific advice, taking into account biological and socioeconomic aspects whilst ensuring fair treatment between fishing sectors, as well as in the light of the opinions expressed during the consultation of stakeholders.
- (5) The use of fishing opportunities set out in this Regulation is subject to Council Regulation (EC) No 1224/2009⁽²⁾ and in particular to Articles 33 and 34 thereof concerning, respectively, the recording of catches and fishing effort and the notification of data on the exhaustion of fishing opportunities. It is therefore necessary to specify the codes to be used by the Member States when sending data to the Commission relating to landings of stocks subject to this Regulation.
- (6) In accordance with Article 2 of Council Regulation (EC) No 847/96⁽³⁾, the stocks that are subject to the various measures referred to therein must be identified.

Status: This is the original version (as it was originally adopted).

- (7) In order to avoid interruption of fishing activities and to ensure the livelihood of Union fishermen, it is important to open the fisheries concerned in the Black Sea on 1 January 2014. For reasons of urgency, this Regulation should enter into force immediately after its publication,
