Formal assessment of capacity

- (a) section 9(1)(a) and (b) apply; and
 - (b) the act mentioned there is, or is part of, a serious intervention (see section 63).
- (2) Where this section applies—
- (a) the condition in section 9(1)(c) is to be regarded as met only if, before the act is done, a formal capacity assessment is carried out; and
 - (b) a belief by D, at the time the act is done, that P lacks capacity in relation to the matter in question is not to be regarded as a reasonable belief if no statement of incapacity has been made.
- (3) The formal capacity assessment must have been carried out, and the statement of incapacity made, recently enough before the act is done for it to be reasonable in all the circumstances to rely on them.
