CHAPTER ccxviii.

An Act to confirm a Provisional Order made by the Board of Trade under the Railway and Canal Traffic Act, 1888, containing the Classification of Merchandise Traffic, and the Schedule of Maximum Rates and Charges applicable thereto, of the London, Chatham, and Dover Railway Company, and certain other Railway Companies connected therewith. A.D. 1891.

[5th August 1891.]

WHEREAS under the Railway and Canal Traffic Act, 1888, the Board of Trade embodied in a Provisional Order the classification of merchandise traffic and schedule of maximum rates and charges, including all terminal charges which, in the opinion of the Board of Trade, ought to be adopted by the London, Chatham, and Dover Railway Company, and the railway companies connected therewith, which are mentioned in the schedule to the said Provisional Order: 51 & 52 Vict.
c. 25. s. 24.

And whereas it is expedient that the Provisional Order, as set out in the schedule to this Act annexed, be confirmed by Act of Parliament:

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. This Act may be cited as the London, Chatham, and Dover Railway Company (Rates and Charges) Order Confirmation Act, 1891. Short title.

2. The Order, as set out in the schedule to this Act annexed, shall be and the same is hereby confirmed, and all the provisions of the said Order in manner and form as they are set out in the said schedule shall, from and after the passing of this Act, have full validity and effect. Confirmation

SCHEDULE.

LONDON, CHATHAM, AND DOVER RAILWAY COMPANY.

Order of the Board of Trade under the Railway and Canal Traffic Act, 1888, embodying the Classification of Merchandise Traffic and the authorised Schedule of Maximum Rates and Charges, including all Terminal Charges applicable to the said Classification of the London, Chatham, and Dover Railway Company, and certain other Railway Companies connected therewith.

Short title.

1. This Order may be cited as the London, Chatham, and Dover Railway Company (Rates and Charges) Order, 1891.

Commencement.

2. This Order shall come into force and have effect on the first day of August one thousand eight hundred and ninety-two, or such later date as the Board of Trade may by order direct, which date is in this Order referred to as the commencement of this Order.

Interpretation.

3. This Order is to be read and construed subject in all respects to the provisions of the Railway and Canal Traffic Acts, 1873 and 1888, and of any other Acts or parts of Acts incorporated therewith.

Schedule of maximum rates and charges.

4. From and after the commencement of this Order the maximum rates and charges which the London, Chatham, and Dover Railway Company, and the railway companies connected therewith mentioned in the appendix to the schedule to this Order in respect of railways mentioned in the said appendix, shall be entitled to charge and make in respect of merchandise traffic on the railways of the said companies, shall be the rates and charges specified in the schedule to this Order annexed, and shall be subject to the classification, regulations, and provisions set forth in the said schedule.

SCHEDULE OF MAXIMUM RATES AND CHARGES, AND CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE TO THE LONDON, CHATHAM, AND DOVER RAILWAY COMPANY, AND CERTAIN OTHER COMPANIES CONNECTED THEREWITH.

I.—MAXIMUM RATES AND CHARGES.

Division of schedule.

1. This schedule of maximum rates and charges shall be divided into six parts: Part I., containing the maximum rates and charges authorised in respect of the merchandise comprised in the several classes of merchandise specified in the classification; Part II. and Part III., containing the maximum rates and charges authorised in respect of animals and carriages as therein mentioned; Part IV., specifying the exceptional charges mentioned in such part, and the

2. The maximum rate for conveyance is the maximum rate which the Company may charge for the conveyance of merchandise by merchandise train ; and, subject to the exceptions and provisions specified in this schedule, includes the provision of locomotive power and trucks by the Company, and every other expense incidental to such conveyance not herein-after provided for. Provided that—

Maximum conveyance rates.

(a.) The provision of trucks is not included in the maximum rates applicable to merchandise specified in Class A. of the classification, and the Company shall not be required to provide trucks for the conveyance of such merchandise, or for the conveyance of lime in bulk, or salt in bulk, or of the following articles when carried in such a manner as to injure the trucks of the Company ; that is to say, ammoniacal liquor, creosote, coal tar, gas tar, gas water, or gravel tarred for paving.

(b.) Where, for the conveyance of merchandise other than merchandise specified in Class A. of the classification, the Company do not provide trucks, the rate authorised for conveyance shall be reduced by a sum which for distances not exceeding 50 miles, shall, in case of difference between the Company and the person liable to pay the charge, be determined by an arbitrator to be appointed by the Board of Trade, and for distances exceeding 50 miles, shall be the charge authorised to be made by the Company for the provision of trucks when not included in the maximum rate for conveyance.

3. The maximum station terminal is the maximum charge which the Company may make to a trader for the use of the accommodation (exclusive of coal drops) provided, and for the duties undertaken by the Company, for which no other provision is made in this schedule, at the terminal station for or in dealing with merchandise, as carriers thereof, before or after conveyance.

Maximum station terminal.

4. The maximum service terminals are the maximum charges which the Company may make to a trader for the following services, when rendered to or for a trader, that is to say, loading, unloading, covering, and uncovering merchandise, which charges shall, in respect of each service, be deemed to include all charges for the provision by the Company of labour, machinery, plant, stores, and sheets. Provided that—

Maximum service terminals.

Where merchandise conveyed in a separate truck is loaded or unloaded elsewhere than in a shed or building of the Company, the Company may not charge to a trader any service terminal for the performance by the Company of any of the said services if the trader has requested the Company to allow him to perform the service for himself and the Company have unreasonably refused to allow him to do so. Any dispute between a trader and the Company in

reference to any service terminal charged to a trader who is not allowed by the Company to perform for himself the service, shall be determined by the Board of Trade.

5. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a trader at his request or for his convenience, a reasonable sum, by way of addition to the tonnage rate. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party. Provided that where before any service is rendered to a trader he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at the trader's request or for his convenience.

- (i.) Services rendered by the Company at or in connexion with sidings not belonging to the Company.
- (ii.) The collection or delivery of merchandise outside the terminal station.
- (iii.) Weighing merchandise.
- (iv.) The detention of trucks, or the use or occupation of any accommodation, before or after conveyance, beyond such period as shall be reasonably necessary for enabling the Company to deal with the merchandise as carriers thereof, or the consignor or consignee to give or take delivery thereof; or, in cases in which the merchandise is consigned to an address other than the terminal station beyond a reasonable period from the time when notice has been delivered at such address that the merchandise has arrived at the terminal station for delivery. And services rendered in connexion with such use and occupation.
- (v.) Loading or unloading, covering or uncovering merchandise comprised in Class A. or Class B. of the classification.
- (vi.) The use of coal drops.
- (vii.) The provision by the Company of accommodation at a waterside wharf, and special services rendered thereat by the Company in respect of loading or unloading merchandise into or out of vessels or barges where no special charge is prescribed by any Act of Parliament. Provided that charges under this sub-section shall for the purposes of sub-section (3) of section 33 of the Railway and Canal Traffic Act, 1888, be deemed to be dock charges.

6. Where merchandise is conveyed in trucks not belonging to the Company, the trader shall be entitled to recover from the Company a reasonable sum by way of demurrage for any detention of his trucks beyond a reasonable period, either by the Company or by any other Company over whose railway the trucks have been conveyed under a through rate or contract. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party.

7. Nothing herein contained shall prevent the Company from making and receiving, in addition to the charges specified in the schedule, charges and payments, by way of rent or otherwise, for sidings or other structural accommodation provided or to be provided for the private use of traders, and not required

by the Company for dealing with the traffic for the purposes of conveyance, provided that the amount of such charges or payments is fixed by an agreement, in writing, signed by the trader, or by some person duly authorised on his behalf, or determined in case of difference by an arbitrator to be appointed by the Board of Trade.

Railway.*

8. In respect of merchandise received from or delivered to another railway company having a railway of a different gauge, the Company may make a reasonable charge for any service of transshipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade.

9. The Company may charge for the use of the trucks provided by them for the conveyance of merchandise, when the provision of trucks is not included in the maximum rates for conveyance, any sums not exceeding the following:—

Charges for
use of trucks.

	<i>s.</i>	<i>d.</i>

For distances exceeding 75 miles, but not ex- ceeding 150 miles - - - -	1	0	„
For distances exceeding 150 miles - - - -	1	3	„

II.—PROVISIONS AS TO FIXING RATES AND CHARGES.

10. In calculating the distance along the railway for the purpose of the maximum charge for conveyance of any merchandise, the Company shall not include any portion of their railway which may, in respect of that merchandise, be the subject of a charge for station terminal.

Calculation of
distance.

11. Where merchandise is conveyed for an entire distance which does not exceed in the case of merchandise in respect of which a station terminal is chargeable at each end of the transit three miles, or in the case of merchandise in respect of which a station terminal is chargeable at one end of the transit four and a half miles, or in the case of merchandise in respect of which no station terminal is chargeable six miles, the Company may, except as herein-after specially provided, make the charges for conveyance authorised by this schedule as for three miles, four and a half miles, and six miles respectively. Provided that where merchandise is conveyed by the Company partly on the railway and partly on the railway of any other company the railway and the railway of such other company shall for the purpose of reckoning such short distance be considered as one railway.

Charges for
short distance.

12. For any quantity of merchandise less than a truck load which the Company either receive or deliver in one truck, on, or at a siding not belonging to the Company, or which, from the circumstances in which the merchandise is tendered, or the nature of the merchandise, the Company are obliged or

Charges for fractions of tons and hundredweights.

13. Where a consignment by merchandise train is over three hundredweight and under five tons in weight, a fraction of a quarter of a hundredweight may be charged for as a quarter of a hundredweight; and where a consignment by merchandise train is over five tons in weight, a fraction of a quarter of a ton may be charged for as a quarter of a ton.

Charges for fractions of a mile and of quarters of a mile.

14. For a fraction of a mile the Company may charge according to the number of quarters of a mile in that fraction, and a fraction of a quarter of a mile may be charged for as a quarter of a mile.

Fractions of a penny.

15. For a fraction of a penny in the gross amount of rates and charges for any consignment for the entire distance carried, the Company may demand a penny.

Weight to be avoirdupois weight.

16. Weight (except as to stone and timber when charged by measurement) shall be determined according to the imperial avoirdupois weight.

Calculation of weight of stone.

17. All stone shall be charged at actual weight, when the weight can be conveniently ascertained. When the actual weight of stone in blocks cannot be conveniently ascertained, 14 cubic feet of stone in blocks may be charged for as one ton, and smaller quantities may be charged for in the like proportion.

Measurement of timber.

18. When timber is consigned by measurement weight, 40 cubic feet of oak, mahogany, teak, beech, greenheart, ash, elm, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards may be charged for as one ton, and smaller quantities may be charged for in the like proportion. The cubic contents of timber consigned by measurement weight shall be ascertained by the most accurate mode of measurement in use for the time being.

Aggregate quantities.

19. Articles sent in large aggregate quantities, although made up of separate parcels, such as bags of sugar, coffee, and the like, shall not be deemed to be small parcels.

III.—MISCELLANEOUS.

Saving as to things not yet classified.

20. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section eleven of section twenty-four of the Railway and Canal Traffic Act, 1888, make the charges which are by this schedule authorised in respect of merchandise and things in Class 3.

Saving as to dock and shipping charges.

21. Nothing herein contained shall affect the right of the Company to make any charges which they are authorised by any Act of Parliament to make in respect of any accommodation or services provided or rendered by the Company at or in connexion with docks or shipping places.

Returned empties.

22. In respect of returned empties, if from the same station and consignee to which and to whom they were carried full to the same station and con-

For any distance exceeding 300 miles	- - - - -	11d. „
The minimum weight to be 56 lbs., with a minimum charge of 4d.		

23. Where merchandise is conveyed in a trader's truck, the Company shall not make any charge in respect of the return of the truck empty, provided that the truck is returned empty from the consignee and station or siding to whom and to which it was consigned loaded direct to the consignor and station or siding from whom and whence it was so consigned, and where a trader forwards an empty truck to any station or siding for the purpose of being loaded with merchandise the Company shall make no charge in respect of the forwarding of such empty truck, provided the truck is returned to them loaded for conveyance direct to the consignor and station or siding from whom and whence it was so forwarded. Empty trucks.

24. Any railway company (other than the Company) conveying merchandise on the railway, or performing any of the services for which rates or charges are authorised by this schedule, shall be entitled to charge and make the same rates and charges as the Company are by this schedule authorised to make. Rates and charges of companies using the railway.

25. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained. Arbitration.

Definitions.

26. In this schedule, unless the context otherwise requires :—

The term “the company” means a railway company to which this schedule applies ;

The term “the railway” means any railway or steam tramway over which the Company conveys merchandise, and in respect of which no maximum rates and charges other than those authorised in this schedule are for the time being authorised by Parliament ;

The term “merchandise” includes goods, cattle, live stock, and animals of all descriptions ;

The term “the classification” means the classification of goods annexed to this schedule ;

The term “trader” includes any person sending, or receiving, or desiring to send merchandise by the railway ;

The term “terminal station” means a station or place upon the railway at which a consignment of merchandise is loaded or unloaded before or after conveyance on the railway, but does not include any station or junction at which the merchandise in respect of which any terminal is charged has been exchanged with, handed over to, or received from any other railway company, or a junction between the railway and a siding let by or not belonging to the Company, or in respect of merchandise passing to or from such siding, any station with which such siding may be connected, or any dock or shipping place the charges for the use of which are regulated by Act of Parliament.

The term “siding” includes branch railways not belonging to a railway company.

The term “person” includes a company or body corporate.

Saving as to
conveyance by
passenger
train.

27. The foregoing provisions shall, so far as applicable, apply to merchandise when conveyed by passenger train under Part V. ; but save as aforesaid and so far as is provided by Part V., nothing herein contained shall apply to the conveyance of merchandise by passenger train, or to the charges which the Company may make therefor.

Application of
schedule.

28. This schedule shall apply to the London, Chatham, and Dover Railway Company, and the other companies mentioned in the appendix hereto so far as relates to the railways therein specified.

MAXIMUM RATES AND CHARGES.

In calculating the distance over which any merchandise is conveyed, and for all purposes of rates and charges, the City Lines Undertaking from West Street Junction to Earl Street, authorised by the London, Chatham, and Dover Railway (City Undertaking) Act, 1864, is to be calculated as two and a half miles; the Victoria Station and Pimlico Railway, authorised by the Victoria Station and Pimlico Railway Act, 1858, is to be calculated as six miles; the Metropolitan Extension Line, between Earl Street and Walworth Road, is to be calculated as six miles; and the railway between Wandsworth Road and the Junction with the Victoria Station and Pimlico Railway is to be calculated as six miles.

Where the distance over which merchandise is conveyed consists in part of a line or lines of railway to which one scale and in part of a line or lines to which another or more than one other scale of rates is applicable, the maximum charge for each such portion of the entire distance shall be calculated at the maximum rate which, according to the scale applicable to such portion, would be chargeable for the entire distance.

Railway.*

Description.	Charge.
For articles of unusual length, bulk, or weight, or of exceptional bulk in proportion to weight - - - -	Such reasonable sum as the Company may think fit in each case.
For articles requiring an exceptional truck, or more than one truck, or a special train -	
For locomotive engines and tenders, and railway vehicles running on their own wheels -	
For any wild beast, or any large animal not otherwise provided for - - - -	
For dangerous goods - - - -	
For specie, bullion, or precious stones - -	
For any accommodation or services provided or rendered by the Company within the scope of their undertaking by the desire of a trader, and in respect of which no provisions are made by this schedule - - - -	

The above provisions shall not apply to pieces of timber weighing less than 4 tons each, but for all such timber when requiring two or more waggons for conveyance a minimum charge may be made as for one ton for each waggon used, whether carrying part of the load or used as a safety waggon only.

PART V.—PERISHABLE MERCHANDISE BY PASSENGER TRAIN.

The following provisions and regulations shall be applicable to the conveyance of perishable merchandise by passenger train:—

1. The Company shall afford reasonable facilities for the expeditious conveyance of the articles enumerated in the three divisions set out hereunder (which articles are herein-after called “perishables”), either by passenger train or by other similar service.

2. Such facilities shall be subject to the reasonable regulations of the Company for the convenient and punctual working of their passenger train service, and shall not include any obligation to convey perishables by any particular train.

3. The Company shall not be under obligation to convey by passenger train, or other similar service, any merchandise other than perishables.

4. Any question as to the facilities afforded by the Company under these provisions and regulations shall be determined by the Board of Trade.

5. Where a consignment of milk is less than 12 gallons, the Company shall be entitled to charge as for 12 gallons, and where a consignment of perishable merchandise comprised in Divisions II. or III. is less than one hundredweight, the Company shall be entitled to charge as for one hundredweight, with a minimum charge of 1s.

PART VI.—SMALL PARCELS BY MERCHANDISE TRAIN.

1. For small parcels by merchandise train, not exceeding in weight three hundredweight, the Company may charge, in addition to the maximum rates for conveyance, and the maximum station and service terminals, authorised by this Schedule, which rates and charges are in this part together referred to by the expression "the maximum tonnage charge," the following:—

Authorised additional Charge per Parcel.		Per Ton.		Per Ton.
s. d. 0 5	When the maximum tonnage charge does not exceed -	s. d. 20 0	but does not exceed	s. d. 30 0
0 6		20 0		40 0
0 7		30 0		50 0
0 8		40 0		60 0
0 9		50 0		70 0
0 10		60 0		80 0
1 0		70 0		90 0
1 2		80 0		100 0
1 4		90 0		
1 6		100 0		

2. Where, for a parcel exceeding in weight three hundredweight, the maximum tonnage charge comes to less than the Company are authorised, according to the above table, to charge for a parcel of three hundredweight in weight, the Company may charge for such parcel as if its weight was three hundredweight.

3. A small parcel under this part of the Schedule may consist of one consignment of two or more packages of merchandise comprised in the same class of the classification of not less than 14 lbs. each in weight.

4. For a small parcel of less than 28 pounds in weight the Company may charge as for a parcel of 28 pounds in weight.

5. For a fraction of 14 pounds in weight the Company may charge as for 14 pounds in weight.
