 - (b) “regulations” means regulations made for the purposes of this Schedule by the Lord Chancellor.

Requirements as to content of instruments

- (a) the prescribed information about the purpose of the instrument and the effect of a lasting power of attorney,
 - (b) a statement by the donor to the effect that he—
 - (i) has read the prescribed information or a prescribed part of it (or has had it read to him), and
 - (ii) intends the authority conferred under the instrument to include authority to make decisions on his behalf in circumstances where he no longer has capacity,
 - (c) a statement by the donor—
 - (i) naming a person or persons whom the donor wishes to be notified of any application for the registration of the instrument, or
 - (ii) stating that there are no persons whom he wishes to be notified of any such application,

 - (ii) no fraud or undue pressure is being used to induce the donor to create a lasting power of attorney, and
 - (iii) there is nothing else which would prevent a lasting power of attorney from being created by the instrument.
- (2) Regulations may—

 - (b) provide that, where the instrument includes a statement under sub-paragraph (1)(c)(ii), two persons of a prescribed description must each give a certificate under sub-paragraph (1)(e).

- (a) the power is not revoked by any subsequent mental incapacity of his,
 - (b) upon such incapacity supervening, the donee of the power may not do anything under the authority of the power except as provided by sub-paragraph (2) unless or until the instrument creating the power is registered under paragraph 13, and
 - (c) if and so long as paragraph (b) operates to suspend the donee's authority to act under the power, section 5 of the Powers of Attorney Act 1971 (c. 27) (protection of donee and third persons), so far as applicable, applies as if the power had been revoked by the donor's mental incapacity,
- and, accordingly, section 1 of this Act does not apply.
- (2) Despite sub-paragraph (1)(b), where the attorney has made an application for registration of the instrument then, until it is registered, the attorney may take action under the power—

Characteristics of an enduring power of attorney

- 2 (1) Subject to sub-paragraphs (5) and (6) and paragraph 20, a power of attorney is an enduring power within the meaning of this Schedule if the instrument which creates the power—

- (8) But where the donor or attorney is bankrupt merely because an interim bankruptcy restrictions order has effect in respect of him, the power is suspended for so long as the order has effect.
- (9) An enduring power is revoked if the court—
- (a) exercises a power under sections 16 to 20 in relation to the donor, and
 - (b) directs that the enduring power is to be revoked.

Status: Point in time view as at 03/11/2008.

Changes to legislation: There are currently no known outstanding effects for the Mental Capacity Act 2005. (See end of Document for details)

Scope of authority etc. of attorney under enduring power

- 3 (1) If the instrument which creates an enduring power of attorney is expressed to confer general authority on the attorney, the instrument operates to confer, subject to—

 - (b) he may make gifts to any charity to whom the donor made or might be expected to make gifts,
- provided that the value of each such gift is not unreasonable having regard to all the circumstances and in particular the size of the donor's estate.

PART 2

PART 6

PROTECTION OF ATTORNEY AND THIRD PARTIES

Protection of attorney and third persons where power is invalid or revoked

- 18 (1) Sub-paragraphs (2) and (3) apply where an instrument which did not create a valid power of attorney has been registered under paragraph 13 (whether or not the registration has been cancelled at the time of the act or transaction in question).
- (2) An attorney who acts in pursuance of the power does not incur any liability (either to the donor or to any other person) because of the non-existence of the power unless at the time of acting he knows—
- (a) that the instrument did not create a valid enduring power,
 - (b) that an event has occurred which, if the instrument had created a valid enduring power, would have had the effect of revoking the power, or
 - (c) that, if the instrument had created a valid enduring power, the power would have expired before that time.
- (3) Any transaction between the attorney and another person is, in favour of that person, as valid as if the power had then been in existence, unless at the time of the transaction that person has knowledge of any of the matters mentioned in sub-paragraph (2).
- (4) If the interest of a purchaser depends on whether a transaction between the attorney and another person was valid by virtue of sub-paragraph (3), it is conclusively presumed in favour of the purchaser that the transaction was valid if—
- (a) the transaction between that person and the attorney was completed within 12 months of the date on which the instrument was registered, or
 - (b) that person makes a statutory declaration, before or within 3 months after the completion of the purchase, that he had no reason at the time of the transaction to doubt that the attorney had authority to dispose of the property which was the subject of the transaction.
- (5) For the purposes of section 5 of the Powers of Attorney Act 1971 (c. 27) (protection where power is revoked) in its application to an enduring power the revocation of which by the donor is by virtue of paragraph 15 invalid unless and until confirmed by the court under paragraph 16—
- (a) knowledge of the confirmation of the revocation is knowledge of the revocation of the power, but
 - (b) knowledge of the unconfirmed revocation is not.

Further protection of attorney and third persons

- 19 (1) If—
- (a) an instrument framed in a form prescribed as mentioned in paragraph 2(2) creates a power which is not a valid enduring power, and
 - (b) the power is revoked by the mental incapacity of the donor,
- sub-paragraphs (2) and (3) apply, whether or not the instrument has been registered.
- (2) An attorney who acts in pursuance of the power does not, by reason of the revocation, incur any liability (either to the donor or to any other person) unless at the time of acting he knows—
- (a) that the instrument did not create a valid enduring power, and

Status: Point in time view as at 03/11/2008.

Changes to legislation: There are currently no known outstanding effects for the Mental Capacity Act 2005. (See end of Document for details)

- (b) that the donor has become mentally incapable.
- (3) Any transaction between the attorney and another person is, in favour of that person, as valid as if the power had then been in existence, unless at the time of the transaction that person knows—
 - (a) that the instrument did not create a valid enduring power, and
 - (b) that the donor has become mentally incapable.
- (4) Paragraph 18(4) applies for the purpose of determining whether a transaction was valid by virtue of sub-paragraph (3) as it applies for the purpose or determining whether a transaction was valid by virtue of paragraph 18(3).

PART 7

JOINT AND JOINT AND SEVERAL ATTORNEYS

Application to joint and joint and several attorneys

- 20 (1) An instrument which appoints more than one person to be an attorney cannot create an enduring power unless the attorneys are appointed to act—
- (a) jointly, or
 - (b) jointly and severally.
- (2) This Schedule, in its application to joint attorneys, applies to them collectively as it applies to a single attorney but subject to the modifications specified in paragraph 21.
- (3) This Schedule, in its application to joint and several attorneys, applies with the modifications specified in sub-paragraphs (4) to (7) and in paragraph 22.
- (4) A failure, as respects any one attorney, to comply with the requirements for the creation of enduring powers—
- (a) prevents the instrument from creating such a power in his case, but
 - (b) does not affect its efficacy for that purpose as respects the other or others or its efficacy in his case for the purpose of creating a power of attorney which is not an enduring power.
- (5) If one or more but not both or all the attorneys makes or joins in making an application for registration of the instrument—
- (a) an attorney who is not an applicant as well as one who is may act pending the registration of the instrument as provided in paragraph 1(2),
 - (b) notice of the application must also be given under Part 3 of this Schedule to the other attorney or attorneys, and
 - (c) objection may validly be taken to the registration on a ground relating to an attorney or to the power of an attorney who is not an applicant as well as to one or the power of one who is an applicant.
- (6) The Public Guardian is not precluded by paragraph 13(5) or (8) from registering an instrument and the court must not direct him not to do so under paragraph 13(10) if an enduring power subsists as respects some attorney who is not affected by the ground or grounds of the objection in question; and where the Public Guardian registers an instrument in that case, he must make against the registration an entry in the prescribed form.

Status: Point in time view as at 03/11/2008.

Changes to legislation: There are currently no known outstanding effects for the Mental Capacity Act 2005. (See end of Document for details)

- (7) Sub-paragraph (6) does not preclude the court from revoking a power in so far as it confers a power on any other attorney in respect of whom the ground in paragraph 13(9)(d) or (e) is established; and where any ground in paragraph 13(9) affecting any other attorney is established the court must direct the Public Guardian to make against the registration an entry in the prescribed form.
- (8) In sub-paragraph (4), “the requirements for the creation of enduring powers” means the provisions of—
- (a) paragraph 2 other than sub-paragraphs (8) and (9), and
 - (b) the regulations mentioned in paragraph 2.

Joint attorneys

- 21 (1) In paragraph 2(5), the reference to the time when the attorney executes the instrument is to be read as a reference to the time when the second or last attorney executes the instrument.
- (2) In paragraph 2(6) to (8), the reference to the attorney is to be read as a reference to any attorney under the power.
- (3) Paragraph 13 has effect as if the ground of objection to the registration of the instrument specified in sub-paragraph (9)(e) applied to any attorney under the power.
- (4) In paragraph 16(2), references to the attorney are to be read as including references to any attorney under the power.
- (5) In paragraph 16(4), references to the attorney are to be read as including references to any attorney under the power.
- (6) In paragraph 17, references to the attorney are to be read as including references to any attorney under the power.

Joint and several attorneys

- 22 (1) In paragraph 2(7), the reference to the bankruptcy of the attorney is to be read as a reference to the bankruptcy of the last remaining attorney under the power; and the bankruptcy of any other attorney under the power causes that person to cease to be an attorney under the power.
- (2) In paragraph 2(8), the reference to the suspension of the power is to be read as a reference to its suspension in so far as it relates to the attorney in respect of whom the interim bankruptcy restrictions order has effect.
- (3) The restriction upon disclaimer imposed by paragraph 4(6) applies only to those attorneys who have reason to believe that the donor is or is becoming mentally incapable.

PART 8
