COMMENTARY ON SECTIONS

Part 16: General and Miscellaneous

Schedule 12: Further and higher education exceptions

Part 1: Single-sex institutions

Admission to single-sex institutions: paragraph 1

Effect

877. This paragraph allows a single-sex institution to refuse to admit members of the opposite sex. An institution is defined as single-sex if it admits students of one sex only. An institution which exceptionally admits students of the opposite sex, or which admits a comparatively small number of opposite-sex students to particular courses or classes only, is still regarded as single-sex. Limiting those students to particular courses or classes is permitted. However, other forms of sex discrimination by the institution against its opposite-sex students would still be unlawful.
