- (2) The power under subsection (1) is to be exercised for the purpose of remedying, mitigating or preventing the prejudicial effect on the Authority’s ability, in carrying out its functions by virtue of this Act, to make comparisons between water enterprises that the actual or prospective merger has had, may have had or may be likely to have.
- (3) In forming a view for the purposes of subsection (1) as to whether it is under a duty to make a merger reference under section 32, the CMA—
- (a) is to disregard the effect of section 33A(4)(a), but
 - (b) is to take into account the powers under section 33A(1) and (2) to decide not to make a merger reference.
- (4) In proceeding under subsection (1), the CMA must, in particular, have regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the prejudicial effect on the Authority’s ability, in carrying out its functions by virtue of this Act, to make comparisons between water enterprises.

 - (c) may be released by the CMA.
- (9) An undertaking under this section ceases to be in force if an order under section 75 or 76 of the Enterprise Act 2002 (powers to make an order where an undertaking is not fulfilled) is made, in a case where that provision of the Enterprise Act 2002 as applied by paragraph 1 of Schedule 4ZA may have effect in relation to such an undertaking.
- (10) The CMA must consider any representations received by it in relation to varying or releasing an undertaking under this section as soon as reasonably practicable.
- (11) In this section “relevant customer benefit” has the meaning given by paragraph 7 of Schedule 4ZA, except that references in paragraph 7 to what the CMA believes are to be read for the purposes of subsection (7) as references to what the Authority believes.”

15 Exclusion of small mergers: advice of CMA on threshold

In section 33 of the Water Industry Act 1991 (exclusion of small mergers from the duty to make a merger reference under section 32), after subsection (6) there is inserted—

- (d) section 144A(9), (10) or (11)(a),

the Authority may give the undertaker a direction to do, or not to do, a thing specified in the direction.

(6A) The Authority must issue rules (and, if it revises rules it has issued, must issue revised rules) about consulting the Council about proposed charges schemes.

(6B) The rules must require a relevant undertaker that proposes to make a charges scheme to consult the Council about its proposed scheme.

(6C) If the Authority considers that a relevant undertaker has not complied with those rules, it may give the undertaker a direction to do, or not to do, a thing specified in the direction.
