COMMENTARY ON SECTIONS

PART 3 - children and young people in England with special Educational Needs OR DISABILITIES

Information and advice

Section 30: Local offer

195. This section requires local authorities to publish information about services they expect to be available for children and young people with special educational needs and disabilities. This will be called the “local offer” and local authorities will keep their local offer under review and revise it. The local offer must include information about the provision the local authority expects to be available in its own area for children and young people with special educational needs and disabilities and outside its area for those children and young people, regardless of whether or not they have EHC plans. Information about provision outside the local authority’s area could include, for example, specialist provision located in a neighbouring authority but which is available to children and young people in its area.
196. The local offer will cover special educational, health care and social care provision, other educational provision, training provision, provision to assist in preparing children and young people for adulthood and independent living (such as finding employment or obtaining accommodation), arrangements for children and young people to travel to schools or post-16 education (including further education colleges, sixth form colleges, independent specialist providers and training providers) and providers of relevant early years education.
197. Regulations will set out the information local authorities should include in their local offer, how it is to be published, who is to be consulted in preparing it and how the authority will involve children and young people with special educational needs and disabilities and parents of children with special educational needs and disabilities in preparing and reviewing it. This involvement will include publishing comments about the local offer that have been received from or on behalf of those children and young people and parents, and the authority’s responses to those comments, including any action it intends to take. Local authorities will also have to include information about how to seek an assessment for an EHC plan, about other sources of information, advice and support, and about how to make a complaint about provision in the local offer. The regulations will also set out the extent of the information local authorities should include about provision outside their area. Local authorities will be free to include other information in their local offer if they wish. This section on the local offer works alongside section 27 which requires local authorities to keep their education and social care provision for children and young people with special educational needs and disabilities under review, and also section 26 which requires local authorities to make joint commissioning arrangements with partner clinical commissioning groups.
