*Powers exercisable on land of which temporary possession has been taken*

- 3 (1) Where under paragraph 1(1) or (2) the nominated undertaker has entered upon and taken possession of land, the nominated undertaker may, for the purposes of or in connection with the construction of the works authorised by this Act—

**Changes to legislation:** There are currently no known outstanding effects for the High Speed Rail (London - West Midlands) Act 2017, SCHEDULE 16. (See end of Document for details)

---

- (4) The nominated undertaker must pay compensation to the owners and occupiers of land of which possession is taken under paragraph 1(1) or (2) for any loss which they may suffer by reason of the exercise in relation to the land of the power or powers under that paragraph.
  - (5) Any dispute as to a person's entitlement to compensation under sub-paragraph (4), or as to the amount of compensation, must be determined under and in accordance with Part 1 of the Land Compensation Act 1961.
  - (6) Nothing in this paragraph affects any liability to pay compensation under section 10(2) of the Compulsory Purchase Act 1965 (as applied by section 4(3) to the acquisition of land under section 4(1)) or under any other enactment, otherwise than for loss for which compensation is payable under sub-paragraph (4).
- 5
- (1) Before giving up possession of land of which possession has been taken under paragraph 1(1) or (2), the nominated undertaker must, in accordance with a scheme agreed with the owners of the land and the relevant planning authority, put the land into such condition as the scheme may provide.
  - (2) If no scheme has been agreed for the purposes of this paragraph within 6 months of the date of completion mentioned in paragraph 4(2) in relation to the land, the scheme is to be such as may be determined by the appropriate Ministers after consulting the nominated undertaker, the owners of the land and the relevant planning authority.
  - (3) Unless the owners of the land and the nominated undertaker otherwise agree, a scheme determined under sub-paragraph (2) must provide for land to be restored to its former condition.
  - (4) Sub-paragraph (3) does not require land on which works referred to in paragraph 1(1)(b) or 3(1)(d) have been constructed to be restored to its former condition.
  - (5) Unless the nominated undertaker otherwise agrees, a scheme determined under sub-paragraph (2) may not provide for the nominated undertaker to replace a structure removed under paragraph 3, other than a fence.
  - (6) Where the appropriate Ministers ask the relevant planning authority for assistance in connection with the carrying out by them of their function under sub-paragraph (2), they may require the nominated undertaker to reimburse to the relevant planning authority any expenses which it reasonably incurs in meeting the request.
  - (7) The duty under sub-paragraph (1) in relation to any land is owed separately to the owners of the land and to the relevant planning authority.
  - (8) Where a scheme for the purposes of this paragraph provides for any step to be taken by the nominated undertaker before a specified date and that step has not been taken before that date, the relevant planning authority may—
    - (a) enter the land concerned and take that step, and
    - (b) require the nominated undertaker to reimburse to it any expenses which it reasonably incurs in acting under paragraph (a).
  - (9) In this paragraph—

- (2) The nominated undertaker may, in relation to a private right, direct—
- (a) that sub-paragraph (1) does not apply to the right, or
  - (b) that sub-paragraph (1) applies to the right only to the extent specified in the direction.
- (3) In this paragraph, “private rights” include—
