CHAPTER 3

MISCELLANEOUS

Renewable and sustainable fuel

158 Revenue certainty scheme for sustainable aviation fuel producers: consultation and report

- (1) The Secretary of State must carry out a public consultation on the options for designing and implementing a sustainable aviation fuel revenue certainty scheme.
- (2) A "sustainable aviation fuel revenue certainty scheme" is a scheme whose purpose is to give producers of sustainable aviation fuel greater certainty than they otherwise would have about the revenue that they will earn from sustainable aviation fuel that they produce.
- (3) The Secretary of State must open the consultation within the period of 6 months beginning with the day on which this Act is passed.
- (4) The Secretary of State must bring the consultation to the attention of, in particular, such of each of the following as the Secretary of State considers appropriate—
 - (a) producers of sustainable aviation fuel;
 - (b) suppliers of sustainable aviation fuel;
 - (c) airlines.

Changes to legislation: There are currently no known outstanding effects for the Energy Act 2023, Section 158. (See end of Document for details)

- (5) The Secretary of State must, within the period of 18 months beginning with the day on which this Act is passed, lay before Parliament a report on progress made towards the development of a sustainable aviation fuel revenue certainty scheme.
- (6) In this section, "sustainable aviation fuel" means aviation turbine fuel whose use (as compared with the use of other aviation turbine fuel) will, in the opinion of the Secretary of State, contribute to a reduction in emissions of greenhouse gases; and for this purpose—

"aviation turbine fuel" has the meaning given by article 3(1B) of the Renewable Transport Fuel Obligations Order 2007 (S.I. 2007/3072);

"greenhouse gas" has the meaning given by section 92(1) of the Climate Change Act 2008.
