- (a) in subsection (2), for “an ownership interest (direct or indirect)” substitute “a direct ownership interest”, and
- (b) after that subsection insert—

“(2A) Where profits are allocated to the ultimate parent as a result of section 168 (underlying profits of transparent and reverse hybrid entities), those profits are to be regarded, for the purposes of this section, as profits to which holders of ownership interests in the ultimate parent are entitled (to each in proportion to the proportion of those profits to which they would have been entitled had those profits actually accrued to the ultimate parent).”

(10) In section 238 (tax transparency of entities)—

- (a) for “if” substitute “to the extent that”, and
- (b) for “and”, in both places it occurs, substitute “or”.

Covered taxes

- 15 In section 173 (covered taxes), in subsection (1)(c) for “of the member” substitute “in which the tax is imposed”.

Tax equity partnerships

- 16 (1) After section 176C (as inserted by [paragraph 8](#)), insert—

“Tax equity partnerships

176D Tax credits etc allocated under tax equity partnerships

(1) Where—

- (a) a member of a multinational group is an investor in a tax equity partnership arrangement, and
 - (b) an election under section 165 (excluded equity gains and losses included) applies in relation to the member for an accounting period, qualifying flow-through tax benefits provided to the member under that arrangement in that period are to be excluded from the covered tax balance of that member for that period.
- (2) “Flow-through tax benefits” means tax credits, other than qualifying refundable tax credits, and the value of amounts of tax deductible losses made available to be used by an investor in a tax equity partnership arrangement under that arrangement (whether or not those credits or losses are used by the investor).

Status: This is the original version (as it was originally enacted).

- (3) Section 176E (proportional amortisation method) applies for the purposes of determining the extent to which flow-through tax benefits are “qualifying” where—
- (a) in determining the underlying profits of the investor, the proportional amortisation method is used to account for the arrangement, or
 - (b) the filing member of the multinational group of which the investor is a member has elected that section 176D should apply for those purposes in relation to the member.
- (4) Otherwise, section 176F (subtraction method) applies for those purposes.
- (5) For the purposes of this Part, a member of a multinational group is an investor in a tax equity partnership arrangement if—
- (a) the member has made an investment in an entity that is tax transparent in the territory in which the member is located,
 - (b) the investment is treated as an equity interest for tax purposes in the territory in which the member is located,
 - (c) the investment would, under an authorised accounting standard of the territory in which the entity operates, be treated as an equity interest,
 - (d) the entity is not a member of the multinational group, and
 - (e) it is reasonable to expect, at the time of making the investment, that the return on the investment would be negative in the absence of the provision of flow-through tax benefits.
- (6) But a member of a multinational group is not to be regarded as an investor in a tax equity partnership arrangement if—
- (a) the investment in the entity does not represent a genuine economic interest in that entity such that the member is exposed to the possibility of a loss on the investment, or
 - (b) the territory in which the member is located limits the use of tax equity partnership arrangements to arrangements that involve a multinational group subject to multinational top-up tax or its equivalent under the law of a territory outside the United Kingdom.
- (7) Flow-through tax benefits provided to a member of a multinational group in an accounting period that are not qualifying are to be reflected as a credit in the covered tax balance for that period.
- (8) Flow-through tax benefits (whether qualifying or not) provided to a member of a multinational group are not to be reflected in the underlying profits of that member, even if that would be the effect of the election under section 165.
- (9) For the purposes of subsection (3)(a), the “proportional amortisation method” means a method of accounting under which—
- (a) the initial capital investment in the arrangement is amortised over the term of the investment with the amortisation expense for an accounting period based on the proportion of the flow-through tax benefits expected to be provided over the term of the arrangement that are expected to be provided in that period, and

Status: This is the original version (as it was originally enacted).

- (b) the difference between the flow-through tax benefits received in an accounting period and that amortisation expense for that period is reflected as tax expense.
- (10) For the purposes of this section and sections 176E and 176F, the value of an amount of tax deductible losses made available to be used by an investor is given by multiplying the amount multiplied by the tax rate that applies to the investor.
- (11) Paragraph 2 of Schedule 15 (annual elections) applies to an election under subsection (3)(b).

176E Flow-through tax benefits: proportional amortisation method

- (1) Where this section applies, to determine the extent to which flow-through tax benefits provided to an investor in an accounting period under a tax equity partnership arrangement are qualifying, take the following steps—

Step 1

Determine the amount of capital investment provided by the investor to the arrangement at its commencement.

Step 2

Divide the flow-through through tax benefits provided under the arrangement in the accounting period by the total flow-through tax benefits expected to be provided over the whole term of the arrangement.

Step 3

Multiply the result of Step 1 by the result of Step 2.

Step 4

Add the following together—

- (a) the amounts, if any, of tax credits made available to be used by the investor under the arrangement in the accounting period;
- (b) the value of the amounts, if any, of tax deductible losses made available to be used by the investor under the arrangement in the accounting period;
- (c) the amounts, if any, of distributions made to the investor in the accounting period;
- (d) the amounts, if any, received by the investor for the sale of any part of its investment in the arrangement in the accounting period.

Step 5

If the result of Step 3 is equal to or greater than the result of Step 4, all of the flow-through tax benefits provided under the arrangement in the accounting period are qualifying.

Otherwise proceed to Step 6.

Step 6

Subtract the result of Step 3 from the result of Step 4.

Step 7

Status: This is the original version (as it was originally enacted).

The amount of the flow-through benefits provided under the arrangement in the accounting period that is qualifying is the amount given by reducing the amount of those benefits (but not below nil) by the result of Step 6.

- (2) Accordingly, the amount by which those benefits are reduced in accordance with Step 7 represents non-qualifying flow-through tax benefits which are to be reflected as a credit in the investor's covered tax balance.

176F Flow-through tax benefits: subtraction method

Where this section applies, to determine the extent to which flow-through tax benefits provided to an investor in an accounting period under a tax equity partnership arrangement are qualifying, take the following steps—

Step 1

Determine the amount of capital investment provided by the investor to the arrangement at its commencement.

Step 2

Subtract the following from that amount—

- (a) the amounts, if any, of tax credits made available to be used by the investor under the arrangement since the commencement of the arrangement, other than tax credits that are not qualifying refundable tax credits that were made available in the accounting period;
- (b) the value of the amounts, if any, of tax deductible losses made available to be used by the investor under the arrangement since its commencement, other than losses made available in the accounting period;
- (c) the amounts, if any, of distributions made to the investor since the arrangement's commencement;
- (d) the amounts, if any, received by the investor for the sale of any part of its investment in the arrangement.

Step 3

If the result of Step 2 is nil or less, no flow-through tax benefits provided under arrangement in the accounting period are qualifying.

If the result of that step is more than nil, proceed to Step 4.

Step 4

Subtract the flow-through tax benefits provided to the investor in the accounting period under the arrangement from the result of Step 2.

Step 5

If the result of Step 4 is nil or greater, all of the flow-through tax benefits provided under the arrangement in the accounting period are qualifying.

Otherwise, the amount of those benefits that is qualifying is the amount of those benefits that when subtracted from the result of Step 2 would give a result of nil.”

- (2) In Schedule 15 (elections), in paragraph 2(1), before paragraph (a) insert—

“(za) [section 176D\(3\)\(b\)](#)”.

Reallocation of tax expense

17 (1) In section 177 (permanent establishments), in subsection (1), after “establishment”, in the second place it occurs, insert “(and is to be regarded as qualifying current tax expense of the permanent establishment for the purposes of applying section 175(2)(a))”.

(2) Section 178 (reallocation of tax expense) is amended as follows.

(3) In subsection (1), in the words after paragraph (b) after “qualifying” insert “current”.

(4) After subsection (1) insert—

“(1A) Where—

- (a) a member of a multinational group has an amount of qualifying current tax expense,
- (b) that amount is in respect of profits not included in the member’s underlying profits, and
- (c) if those profits had been included in the member’s underlying profits, a corresponding amount of adjusted profits would have been allocated to another member of the group (“O”) under section 167 or 168,

that qualifying current tax expense is to be allocated to O (and is to be regarded as qualifying current tax expense of O for the purposes of applying section 175(2)(a)).

(1B) Section 175(2)(a) (exclusion of amounts relating to income or gains not included in adjusted profits) applies to an amount of qualifying current tax expense allocated in accordance with subsection (1) as if—

- (a) the reference to the member’s adjusted profits were to the adjusted profits of the member from whom the amount of qualifying current tax expense was allocated, and
- (b) profits allocated from that member to O under section 167 or 168 were not excluded from the adjusted profits of that member.”

(5) In subsection (2), in the words before Step 1, after “O” insert “(under subsections (1) and (1A))”.

(6) After subsection (4) insert—

“(5) Where an amount of qualifying current tax expense would have been allocated to O, but the amount allocated is limited as a result of subsection (2) the amount not allocated remains with the member from whom it otherwise would have been allocated.

(6) But if an amount would, ignoring this subsection, remain with the member from whom it would have otherwise been allocated, and that amount relates to income or gains that are not included in the adjusted profits of O, that amount is to be excluded from the covered tax balance of both the member and O.”

(7) In section 179 (controlled foreign company tax regimes)—

- (a) after subsection (1) insert—

Status: This is the original version (as it was originally enacted).

- “(1A) Qualifying current tax expense allocated to F is to be regarded as qualifying current tax expense of F for the purposes of applying section 175(2)(a).”
- (b) after subsection (3) insert—
- “(3A) Where an amount of qualifying current tax expense would have been allocated to F but the amount allocated is limited as a result of subsection (2), the amount not allocated remains with C.
- (3B) But if an amount would, ignoring this subsection, remain with C and that amount relates to income or gains that are not included in the adjusted profits of F, that amount is to be excluded from the covered tax balance of both C and F.”

Controlled foreign company tax regimes

- 18 (1) Section 179 (controlled foreign company tax regimes) is amended as follows.
- (2) In subsection (1), in paragraph (b), for “controlled foreign company” substitute “CFC entity”.
- (3) In subsection (4), after the definition of “controlled foreign company tax regime” insert—
- ““CFC entity”, in relation to a member of a multinational group who is subject to a controlled foreign company tax regime, means—
- (a) a controlled foreign company in relation to that member,
- (b) a permanent establishment of such a controlled foreign company, or
- (c) an entity whose profits are treated, for the purposes of the regime, as the profits of such a controlled foreign company;”.
- (4) In section 180 (blended CFC regimes)—
- (a) in subsection (2)(b), omit “blended”,

- (ii) in paragraph (b), in the words before sub-paragraph (i), omit “blended”, and
- (f) omit subsection (10).
- (5) In Schedule 17 (index of defined expressions), in the table, at the appropriate place insert—

“CFC entity	section 179(4)”.

- (ia) the combined covered tax balance for those entities were the aggregate of the taxes shown in their financial accounts.”.

Qualifying foreign tax credits (substitute loss carry forward assets)

- 20 (1) Section 183 (substitute loss carry forward assets) is amended as follows.
- (2) In subsection (3), in paragraph (b), for “in respect of which the foreign tax was calculated” substitute “in the territory in which the member is located”.
- (3) In subsection (4), after “qualifying” insert “foreign”.
- (4) In subsection (5), after “section” insert “and in [section 183A](#)”

- (2) Subsection (3) applies where—
- (a) the territory in which a member of a multinational group is located requires that domestic losses are offset against relevant foreign income before foreign tax credits can be applied against tax on foreign income,
- (b) the territory limits the extent to which foreign tax credits can be applied against tax in a taxable period,
- (c) the territory allows foreign tax credits to be used to a greater extent where a domestic loss has been used to offset (in whole or in part) relevant foreign income in a prior period, and
- (d) the member has used a domestic loss to offset (in whole or in part) relevant foreign income.
- (3) Where this subsection applies, the member has a special foreign tax asset arising in the accounting period in which the loss was used.
- (4) The amount of that special foreign tax asset is the amount of the domestic loss used to offset relevant foreign income multiplied by the lesser of—

Status: This is the original version (as it was originally enacted).

- (a) the amount of the asset, and
 - (b) so much of the amount of foreign tax credits credited against tax in the taxable period corresponding to that accounting period as is capable of being credited only as a result of the prior use of the domestic loss.

Any remainder continues to be a special foreign tax asset (and is available for use in subsequent account periods where subsection (5) applies).”

 - (a) an employee carries out the work in the period both in the territory in which the member is located and outside that territory, and
 - (b) the proportion of the time spent carrying out the work in that territory in the period is 50% or less,

the payroll costs in respect of the employee are to be multiplied by that proportion to determine how much of those costs are eligible payroll costs.”
- (2) In section 197 (eligible tangible asset amounts) after subsection (6) insert—
- “(6A) Where an asset falling within paragraph (a), (c) or (d) of subsection (6) is only located in the same territory as the member for part of the period—
- (a) it is to be regarded for the purposes of this section as located in that territory for the whole period, but
 - (b) where the proportion of the period in which the asset (or in the case of a right, the asset to which the right relates) is located in the territory is 50% or less, the carrying values for the purposes of subsection (1)(a) and (b) are to be multiplied by that proportion.”

Substance based income exclusion: inclusion of payroll costs and assets voluntary

- 22 (1) In section 196, in subsection (1)—
- (a) omit the “and” after paragraph (c), and
 - (b) at the end of paragraph (d) insert “, and,

- “(7A) Where part of an asset comprising property is held by a member of a multinational group for lease, but another part of that property is retained for use by the member—

- (2) The operating lease is to be regarded as an eligible tangible asset of the member for that period (despite the exclusion in section 197(7)(a)).
- (3) But where the property is not a short-term rental asset for that period, any carrying value of the operating lease recorded at the start or the end of the period is to be reduced by the right-of-use amount for the property at that time for the purposes of carrying out the calculation in section 197(1).
- (4) In a case where the lessee is a member of the same multinational group as the lessor, the right-of-use amount in relation to the property at the start or the end of the period is the carrying value of the lessee's right-of-use asset in relation to the property recorded at that time.
- (5) Where the lessee is not a member of the same multinational group as the lessor, the right-of-use amount in relation to the property at the start or end of the period is the undiscounted value of any outstanding payments under the lease at that time.
- (6) In determining the value of those outstanding payments—
 - (a) apply the accounting standard used in determining the underlying profits of the member,
 - (b) include the value of any outstanding payments that would be due under any extension to the lease that would fall to be accounted for in accordance with that standard.

 - (8) Where there is no requirement under the law of any territory for a country-by-country report to be prepared and filed in respect of a multinational group, the filing member may include, in the information return in which the election is made, the information that would have been in such a report—

 - (c) any member of the group is located in a territory in which a qualifying undertaxed profits tax is in force for the accounting period.
- (5) Condition C is that no transitional safe harbour election applies to the relevant member for that period.
- (6) For the purposes of this Part “transitional safe harbour election” means—
- (a) an election under paragraph 3(1) (transitional safe harbour), or
 - (b) an election corresponding to that election for the purposes of a tax imposed by a Pillar Two territory that is equivalent to multinational top-up tax so far as it relates to top-up tax under the IIR (within the meaning of the Pillar Two rules).”
- (2) In paragraph 2 of Schedule 16 (intra-group transfers before entry into regime)—
- (a) in sub-paragraph (1), for paragraph (b) substitute—
 - “(b) the Pillar Two rules do not apply to the transferor for the accounting period in which the transfer takes place (but in determining this, section 255(4) has effect as if sub-paragraph (ii) of paragraph (b) were omitted),
 - (ba) a qualifying domestic top-up tax does not apply in relation to the transferor for that period, and”,
 - (b) in sub-paragraph (4)(b)—
 - (i) in the words before sub-paragraph (i), after “which” insert “the Pillar Two rules apply to the transferee.”, and
 - (ii) omit sub-paragraphs (i) and (ii),
 - (c) in sub-paragraph (6), in paragraph (a) of Step 2, for paragraph (a) substitute—
 - “(a) the ultimate parent had been located in the United Kingdom and the accounting period commenced on or after 31 December 2023, and”,
 - (d) in sub-paragraph (11)—
 - (i) the words from ““a transfer” to the end become paragraph (a), and

 - (b) omit sub-paragraph (4).

Qualifying domestic top-up tax not treated as accruing

- 35 (1) After section 256 insert—

- (2) An amount of qualifying domestic tax accruing to a member of a multinational group is to be treated as not accruing to the member where the enforceability of the amount is in question.
- (3) For the purposes of this section, the enforceability of an amount of qualifying domestic top-up tax accruing to a member of a multinational group is in question if—
 - (a) the member disputes its enforceability on any of the grounds set out in subsection (4), or
 - (b) the tax authority of the territory in which the qualifying domestic top-up tax is imposed considers the amount unenforceable on the basis of any of those grounds.
- (4) Those grounds are that—
 - (a) the amount is unenforceable on constitutional grounds or as a result of other superior law applying in the territory in which the qualifying domestic top-up tax is imposed, or
 - (b) the amount is unenforceable as a result of a specific agreement with the government of that territory as to the tax liability of the member or the group.
- (5) Subsection (2) ceases to apply where the enforceability of an amount of qualifying domestic top-up tax ceases to be in question.
- (6) Where the enforceability of an amount of qualifying domestic top-up tax was in question, it ceases to be in question where—
 - (a) the amount has been paid, and
 - (b) the enforceability of the amount may no longer be disputed as a result of—
 - (i) a settlement,
 - (ii) the time for any appeal having passed and there being no reasonable prospect of the time being extended, or
 - (iii) the exhaustion of any rights to appeal.”

- (2) In section 194 (total top-up amount for a territory), in subsection (3), for “section 256” substitute “sections 256 and 256A”.

- (b) provision that the Treasury consider necessary to secure the effective operation of multinational top-up tax or domestic top-up tax (see Part 4) where—
 - (i) the provision does not, at the time of making it, reflect the Pillar Two rules, but
 - (ii) it is reasonable for the Treasury to believe that changes will be made to the rules that are consistent with, or are similar to, the provision.

(1B) Provision made by regulations under subsection (1) may not have effect—

- (a) in the case of provision falling within subsection (1A)(a), in relation to accounting periods ending before the commentary or guidance was published, or
- (b) in the case of any other provision, in relation to accounting periods ending before the regulations are made.

(1C) Provision that has effect in relation to accounting periods that begin before the regulations are made may only be made if the Treasury consider that the provision is generally beneficial to—

- (a) persons affected by the implementation of the Pillar Two rules, or
- (b) persons affected by the provision.

(1D) The reference in subsection (1C) to provision being generally beneficial includes the provision being beneficial by reference to it—

- (a) simplifying, or reducing the costs of, compliance with—
 - (i) multinational top-up tax or domestic top-up tax, or
 - (ii) taxes imposed under the law of a territory outside the United Kingdom that correspond to multinational top-up tax or domestic top-up tax;
- (b) generally (but not necessarily in every case) resulting in a reduction or elimination of a liability to—
 - (i) multinational top-up tax or domestic top-up tax, or
 - (ii) taxes imposed under the law of a territory outside the United Kingdom that correspond to multinational top-up tax or domestic top-up tax.”

Status: This is the original version (as it was originally enacted).

- (b) the day on which the amount was paid.
- (2) See paragraph 51 for provision about making claims for the repayment of an amount that is not tax that was due (but see also paragraph 52 which, for example, prevents such a claim being made where an amendment to an assessment can be, or could have been, made).”

Intragroup transfers before entry into regime

- 38 (1) Paragraph 2 of Schedule 16 (intra-group transfers before entry into regime) is amended as follows.
- (2) In sub-paragraph (3)(b), after “limited to” insert “the lesser of the cap amount and the sum of—
- “(i) the value of deferred tax assets that arose in relation to the assets before their transfer, and

 - (b) do not fall within sub-paragraph (2),
- that series is to be treated as a single transfer of assets that falls within sub-paragraph (1).
- (13) This paragraph applies to that single transfer as if—
- (a) the reference to the transferor in sub-paragraph (3)(a) were to the transferor in relation to the first transfer in the series,
 - (b) the references in sub-paragraph (3)(b) to the cap amount, the value of deferred tax assets that arose in relation to the assets before their transfer and the tax paid amount were to the aggregate of each such amount or value as determined for the purpose of each transfer that makes up the series,
 - (c) the reference to the date of the transfer in sub-paragraph (4)(a) were to the date of the last transfer in the series, and

(1A) The effect of the election is that all of the standard members of the group located in the territory are to be treated as not having top-up amounts or additional top-up amounts for the purpose of determining the liability of any member of the group to multinational top-up tax.”

Status: This is the original version (as it was originally enacted).

- (3) In paragraph 4—
- (a) in sub-paragraph (3)—

“SCHEDULE 16A

Section 260

MULTINATIONAL TOP-UP TAX: SAFE HARBOURS

PART 1

QUALIFYING DOMESTIC TOP-UP TAX SAFE HARBOUR

CHAPTER 1

QUALIFYING DOMESTIC TOP-UP TAX SAFE HARBOUR ELECTION

Election for qualifying domestic top-up tax safe harbour

- 1 (1) The filing member of a multinational group may make a qualifying domestic top-up tax safe harbour election for an accounting period in respect of a territory.
- (2) The effect of the election is that all of the standard members of the group located in the territory are to be treated as not having top-up amounts or additional top-up amounts for the purpose of determining the liability of any member of the group to multinational top-up tax.
- (3) An election may only be made for an accounting period if—
- (a) a qualifying domestic top-up tax applies in that territory for that period,

Status: This is the original version (as it was originally enacted).

- (b) that tax is accredited for the purposes of the election (see [paragraph 2](#)), and
 - (c) none of the disqualifying conditions in [paragraph 3](#) apply for that period.
- (4) Paragraph 2 of Schedule 15 (annual elections) applies to an election under this paragraph.

Accredited qualifying domestic top-up tax

- 2 A qualifying domestic top-up tax is accredited for the purposes of an election under [paragraph 1](#) if that tax is specified as such in regulations made by the Treasury.

Disqualifying conditions

- 3 (1) Conditions A to D are disqualifying conditions for the purposes of [paragraph 1\(3\)\(c\)](#) in relation to a multinational group and a territory.
- (2) Condition A is that—
- (a) the ultimate parent is located in the territory,
 - (b) the ultimate parent is a flow-through entity, and
 - (c) the qualifying domestic top-up tax applying in the territory—
 - (i) does not generally impose a charge on the ultimate parent as a result of it being a flow-through entity, and
 - (ii) does not include provision for a charge to be imposed on the ultimate parent in circumstances where there would otherwise be an amount of tax that was not charged to any member of the group in that territory.
- (3) Condition B is that—
- (a) a responsible member of the group is located in the territory,
 - (b) the member is not the ultimate parent of the group,
 - (c) the member is a flow-through entity, and
 - (d) the qualifying domestic top-up tax applying in the territory—
 - (i) does not generally impose a charge on the member as a result of it being a flow-through entity, and
 - (ii) does not include provision for a charge to be imposed on the member in circumstances where there would otherwise be an amount of tax that was not charged to any member of the group in that territory.
- (4) Condition C is that—
- (a) the qualifying domestic top-up tax applying in the territory provides that it does not apply to a multinational group in the initial phase of the group's international expansion,
 - (b) that provision is not limited in application to circumstances where the members of a multinational group in the territory are not subject to Pillar Two rules, and
 - (c) that provision applies to the group.

- (5) Condition D is that the enforceability of an amount of qualifying domestic top-up tax accruing to a standard member of the group is in question.
- (6) Subsections (3), (4) and (6) of section 256A (qualifying domestic top-up tax treated as not accruing where contested) apply for the purpose of determining whether the enforceability of an amount of qualifying domestic top-up tax is in question.

CHAPTER 2

APPLICATION TO NON-STANDARD MEMBERS OF A MULTINATIONAL GROUP

Application in the case of joint venture group

- 4 (1) For the purpose of applying Chapter 1 of this Part of this Schedule to a joint venture group (see section 227 which applies this Schedule generally, with modifications, to joint venture groups), that Chapter has effect as if in paragraph 3—
 - (a) in sub-paragraph (1), for “Conditions A to D” there were substituted “Conditions A to E”,
 - (b) after sub-paragraph (6), there were inserted—
 - “(7) Condition E is that the qualifying domestic top-up tax applying in the territory—
 - (a) does not generally impose a charge on members of the group that are members of a joint venture group, and
 - (b) does not include provision for a charge to be imposed on such members in circumstances where there would otherwise be an amount of tax that was not charged to any member of the group in that territory.”
- (2) For that purpose ignore section 227(1)(a) (reference to ultimate parent treated as reference to joint venture parent).
- (3) Accordingly, the filing member of a multinational group may make a separate qualifying domestic top-up tax safe harbour election in respect of joint venture members of a joint venture group in a territory.

Application in the case of investment entities

- 5 (1) Chapter 1 of this Part of this Schedule to applies to investment entities and has effect for that purpose as if—
 - (a) references to standard members of a multinational group were to members of the group that are investment entities, and
 - (b) in paragraph 3—
 - (i) in sub-paragraph (1), for “Conditions A to D” there were substituted “Conditions A to E”,
 - (ii) after sub-paragraph (6), there were inserted—

Status: This is the original version (as it was originally enacted).

“(7) Condition E is that the qualifying domestic top-up tax applying in the territory—

- (a) does not generally impose a charge on members of the group that are investment entities, and
- (b) does not include provision for a charge to be imposed on such members in circumstances where there would otherwise be an amount of tax that was not charged to any member of the group in that territory.”

(2) Accordingly, the filing member of a multinational group may make a separate qualifying domestic top-up tax safe harbour election in respect of members of the group that are investment entities.

Application in the case of minority owned members

6 (1) Chapter 1 of this Part of this Schedule to applies to minority owned members of a multinational group and has effect for that purpose as if references to standard members of a multinational group were to members of the group that are minority owned members.

(2) Accordingly, the filing member of a multinational group may make a separate qualifying domestic top-up tax safe harbour election in respect of minority owned members of the group.”

(2) In section 227 (application of Part to joint venture groups), in subsection (1), in the words before paragraph (a), for “Schedule 16” substitute “Schedules 16 and 16A”.

(3) For section 260 (transitional provision) substitute—

“260 Transitional provision and safe harbours

(1) Schedule 16 contains transitional provision and provision about a general transitional safe harbour.

(2) Schedule 16A contains provision about other safe harbours.”

(4) In Schedule 15 (elections), in paragraph 2(1), after paragraph (k) (as inserted by [paragraph 40\(2\)](#) of this Schedule) insert—

“(l) paragraph 1 of Schedule 16A.”

PART 3

DOMESTIC TOP-UP TAX

Securitisation entities

42 (1) In section 267 (DTT excluded entities)—

- (a) after subsection (3) insert—

“(3A) A securitisation company that is not a member of a group for the purposes of domestic top-up tax is a DTT excluded entity (and see section 267A).”

- (b) in subsection (4)—
- (i) the words from ““qualifying” to the end become the first definition, and
 - (ii) after that definition insert—
““securitisation company” has the meaning it has in the Taxation of Securitisation Companies Regulations 2006 (see regulation 4).”

(2) After section 267 insert—

“267A Securitisation companies in a group treated as not consolidated

- (1) Subsection (2) applies to a securitisation company that is a member of a group.
- (2) The company is only to be regarded as a member of the group for the purposes of applying Condition C in section 266 in relation to other members of the group (revenue threshold for group).
- (3) Otherwise, the company is to be treated as not being a member of any group for the purposes of domestic top-up tax.”

(3) After section 272 insert—

“272A Treatment of covered bond vehicles

- (1) This section applies where—
 - (a) a covered bond vehicle that is a member of a group would, ignoring this section, have a top-up amount or an additional top-up amount for an accounting period, and
 - (b) at least one of the other members of the group in that period—
 - (i) is located in the United Kingdom, and
 - (ii) is not a covered bond vehicle.
- (2) For domestic purposes, section 193 (calculation of top-up amounts) has effect for the purpose of determining the top-up amounts (and additional top-up amounts) of—
 - (a) the covered bond vehicle, and
 - (b) the other members of the group that are located in the United Kingdom,as if the adjusted profits of the covered bond vehicle were nil.
- (3) But subsection (4) applies if none of the members of the group that are located in the United Kingdom, and are not covered bond vehicles, have made a profit for that period (and accordingly will not, ignoring that subsection, have top-up amounts).
- (4) Each of those members has a top-up amount equal to the amount given by dividing—

Status: This is the original version (as it was originally enacted).

- (a) the sum of the top-up amounts and additional top-up amounts that, ignoring subsection (2), each covered bond vehicle located in the United Kingdom would otherwise have, by
 - (b) the number of those members.
- (5) For the purposes of this section “covered bond vehicle” has the meaning given by paragraph 53(7) of Schedule 19 to FA 2011.”

Investment entities

- 43 (1) In section 267—
- (a) in subsection (2), after “subsection (1)” insert “or (3B)(b)”, and
 - (b) after subsection (3A) (as inserted by paragraph 42) insert—
 - “(3B) An investment entity is a DTT excluded entity if—
 - (a) it is not a member of a group, or
 - (b) it is a member of group that is comprised only of members located in the United Kingdom.
 - (3C) An investment entity that is a member of a group that is not comprised only of members located in the United Kingdom—
 - (a) is not to be regarded as a qualifying entity, but
 - (b) top-up amounts of that entity are to be determined under sections 220 to 224 (see also section 272(8)(e) which has the effect of attributing those amounts to standard members of the group that are qualifying entities and are located in the same territory as the investment entity).
 - (3D) An investment entity that falls within subsection (3C) is not to be regarded as a member of any group for any purpose other than for the purposes of—
 - (a) determining the top-up amounts of that entity under those sections,
 - (b) applying Condition C in section 266 in relation to other members of the group (revenue threshold for group), and
 - (c) subsections (8)(e) (9), (10) and (11) of section 272.”
- (2) In consequence of the amendments made by sub-paragraph (1), in section 266(1) (qualifying entities) omit “or an investment entity”.
- (3) In section 272 (determining top-up amounts of entity that is a member of a group)—
- (a) in subsection (8), in paragraph (e)—
 - (i) after “effect” insert “in relation to a qualifying entity that is a standard member of a group” and
 - (ii) after “of” insert “qualifying”, and
 - (b) after that subsection insert—
 - “(9) An investment entity is a qualifying investment entity in relation to a qualifying entity if it is
 - (a) a member of the same group as the qualifying entity, and
 - (b) located in United Kingdom.

Status: This is the original version (as it was originally enacted).

- (10) Subsection (11) applies to qualifying entities that are standard members of a group for an accounting period where—
- (a) the total top-up amount referred to in section 193 for that period is greater than nil as a result of the modification of that section set out in subsection (8)(e), and
 - (b) none of those members have made a profit for that period (and accordingly will not, ignoring subsection (11), have top-up amounts).
- (11) Where this subsection applies, each of those members has a top-up amount (for the purposes of domestic top-up tax) equal to the total top-up amount divided by the number of qualifying entities that are standard members of the group.”

Treatment of qualifying refundable tax credits

- 44 (1) In section 272(8), after paragraph (d) insert—
- “(da) in section 182(2)(e), after “credits”, in the first place it occurs, there were inserted “other than qualifying refundable tax credits”;
- (2) In section 273(3) (determining top-up amounts of entity that is not a member of a group), after paragraph (b) insert—
- “(ba) in section 182(2)(e), after “credits”, in the first place it occurs, there were inserted “other than qualifying refundable tax credits”;

Effect of becoming subject to Pillar Two rules

- 45 (1) After section 273 insert—

“273A References to Pillar Two rules

- (1) The provisions mentioned in subsection (2) apply to a qualifying entity, for domestic or domestic entity purposes, as if the references to the first accounting period for which the Pillar Two rules apply were to the first accounting period for which the entity is a qualifying entity.
- (2) Those provisions are—
- (a) section 185;
 - (b) section 187;
 - (d) sub-paragraph (4) of paragraph 2 of Schedule 16 (but see also section 276(c)(iii) which omits that paragraph in the case of a qualifying entity that is not a member of a group).

273B Effect of becoming subject to Pillar Two rules

- (1) This section applies where the Pillar Two rules did not apply to a qualifying entity for one or more accounting periods (each a “pre-Pillar Two period”).
- (2) Where—
- (a) the entity has a recaptured deferred tax liability arising as a result of section 184 (recaptured deferred tax liabilities),

Status: This is the original version (as it was originally enacted).

- (b) the initial period, in relation to that liability, is a pre-Pillar Two period, and
 - (c) the first accounting period in which the Pillar Two rules apply to the entity is earlier than the sixth accounting period after the initial period,

section 184(2) (recalculation in initial period taking account of recaptured deferred tax liability) does not apply in relation to that recaptured deferred tax liability.
 - (3) Where an election under section 187 (election for losses to be treated as special loss deferred tax assets) applied to the entity in a pre-Pillar Two period—
 - (a) the election ceases to have effect for the first accounting period in which the Pillar Two rules apply, and
 - (b) subsection (2)(b) of section 187 does not apply to prevent the making of an election under section 187 that applies to the entity and that has effect for that period, but
 - (c) no remaining amount of special loss deferred tax assets that arose in a pre-Pillar Two period may be used in that first accounting period or any subsequent accounting period.
 - (4) Subsection (5) or (6) (as the case may be) applies where—
 - (a) a deferred tax asset arises to the entity in a pre-Pillar Two period,
 - (b) section 185(7)—
 - (i) applies to that asset for the purposes of multinational top-up tax, or
 - (ii) would, ignoring subsection (5) below, apply to that asset for those purposes, and
 - (c) the asset is reflected in a collective additional amount for the purposes of domestic top-up tax.
 - (5) Where—
 - (a) an election has been made under section 205 (election to carry forward) in relation to the collective additional amount,
 - (b) the subtraction required by subsection (2)(a) of that section has not occurred in a pre-Pillar Two period,

the amount to be subtracted as a result of that subsection is to be reduced by so much of that amount as reflects the asset.
 - (6) Otherwise, section 185(7) does not apply to the asset for the purposes of multinational top-up tax to the extent it was reflected in a collective additional amount for the purposes domestic top-up tax.”
- (2) In section 276 (application of transitional provision)—
- (a) after paragraph (a) insert—
 - “(aa) where a qualifying member is a member of a group, for paragraph 3(2)(c) there were substituted—
 - “(c) the election has been made in respect of the territory for each preceding accounting period that commenced on or after 31 December 2023—

- (i) in which the Pillar Two rules would, ignoring any transitional safe harbour election, have applied to any member of the group in the territory, and
 - (ii) in which any member of the group is a qualifying entity for the purposes of domestic top-up tax,””, and
- (b) in paragraph (c), after sub-paragraph (iii) insert—
 - “(iia) for paragraph 3(2)(c) there were substituted—
