92.—(1) Where a general medical services contractor or a default contractor is required under article 24 or 25 of the Transitional Order to provide any of the additional services to patients who are not included on its list of patients, it shall, for so long as that requirement continues, and subject to paragraphs (2) and (4), also be required to provide that service to those patients throughout the out of hours period.

(2) In the case of a general medical services contract, the requirement referred to in paragraph (1) shall cease on the date on which any opt out of out of hours services commences pursuant to the terms of the general medical services contract which give effect to paragraph 4 or 5 of Schedule 3 to the 2004 Regulations.

(3) Where paragraph (2) applies, the requirement to inform patients of opt outs in the term of the general medical services contract which gives effect to paragraph 6 of Schedule 3 to the 2004 Regulations shall apply to the patients to whom services are provided pursuant to this article as it applies to the general medical services contractor’s own registered patients.

(4) Nothing in this article shall require a general medical services contractor or a default contractor to provide services under this article if, in the reasonable opinion of the default contractor or the general medical services contractor in the light of the patient’s medical condition it would be

reasonable in all the circumstances for the patient to wait for the services required until the next time at which he could obtain such services during core hours.

(5) Services included in a general medical services contract or a default contract pursuant to this article shall be deemed to fall within the definition of out of hours services for the purposes of—

Determination of a Primary Care Trust or the Secretary of State made before the relevant date (regulations 8, 9, 10 and 11 of the Service Committees Regulations)

97.—(1) Where, before the relevant date, a Primary Care Trust (or where relevant, the Secretary of State) has determined pursuant to regulation 8(5)(a) and 9(3) or regulation 11 (as the case may be) that an amount should be recovered from the doctor, insofar as any of that amount has not been recovered before the relevant date, it shall continue to be recoverable by the Primary Care Trust that was the appropriate Primary Care Trust for the purposes of the Service Committees Regulations in respect of that matter, and it shall be treated as a debt owed by that doctor to that Trust.

(2) Where a contracting PCT has record of, or receives notification of, an adverse determination made before the relevant date pursuant to regulation 8, 9, 10 or 11 in respect of a doctor (where, in the case of a determination under regulation 8, such a determination was not overturned on appeal), paragraph (3) shall apply without prejudice to any other rights the contracting PCT may have to take action against the relevant contractor pursuant to any term of the general medical services contract or default contract.

(3) Where this paragraph applies, the contracting PCT—

- (a) may take into account that adverse determination in relation to a relevant contractor if it is considering, pursuant to a term of the general medical services contract that gives effect to paragraph 115(7) of Schedule 6 to the 2004 Regulations, or an equivalent term in the default contract, whether the cumulative effect of breaches under that contract is such that to allow the contract to continue would be prejudicial to the efficiency of the services provided under that contract; but
- (b) shall not, pursuant to sub-paragraph (a), take into account any adverse determination that was made that occurred more than 6 years prior to the date upon which the contracting PCT is considering terminating the general medical services contract or the default contract (as the case may be).

(4) Where a Performers List PCT has record of, or receives notification of, an adverse determination pursuant to regulation 8, 9, 10 or 11 made before the relevant date in respect of a doctor (where, in the case of a determination under regulation 8, such a determination was not overturned on appeal) it may take that determination into account in determining what (if any) action it should take in respect of that doctor pursuant to its powers under the Performers Lists Regulations.

Determination of a Primary Care Trust made on or after the relevant date (regulation 8 of the Service Committees Regulations)

98.—(1) Where, on or after the relevant date, an appropriate Primary Care Trust is determining what (if any) action to take pursuant to regulation 8 in accordance with provision made in this Part, it shall make such a determination in accordance with such limitations and modifications to that regulation as are specified in this article.

(2) The appropriate Primary Care Trust may—

- (a) pursuant to regulation 8(1)(c)(i), determine that no further action should be taken;
- (b) pursuant to regulation 8(3), determine after consultation with the Local Medical Committee that it would have considered it appropriate to impose a special limit on the number of persons for whom a doctor may undertake to provide treatment;
- (c) pursuant to regulation 8(5)(a), determine that an amount shall be recovered from the doctor; or
- (d) pursuant to regulation 8(6), determine that it would have warned the doctor to comply more closely with his terms of service in future, if those terms of service were still applicable,

and if it makes any one or more of the decisions specified in sub-paragraphs (b) to (d), it shall, after the period specified in regulation 8(11)(a) or (b) (as applicable) has expired, notify in writing the contracting PCT and the Performers List PCT (if any) of its decision and the reasons for it, if either one is a different Primary Care Trust to the appropriate Primary Care Trust.

(3) Where, pursuant to paragraph (2)(b), the appropriate Primary Care Trust determines that an amount should be recovered from the doctor, regulation 8(8) shall not apply and that amount shall be recoverable by the appropriate Primary Care Trust and it shall be treated as a debt owed by that doctor to that appropriate Primary Care Trust.

(4) Where the appropriate Primary Care Trust has notified the contracting PCT that it has made any of the determinations specified in paragraph (2)(b) to (d), or where the appropriate Primary Care Trust is the contracting PCT, paragraph (5) shall apply without prejudice to any other rights the contracting PCT may have to take action against the relevant contractor pursuant to any term of the general medical services contract or default contract.

(5) Where this paragraph applies, the contracting PCT—

- (a) may, in relation to a relevant contractor, take into account the determination of the appropriate Primary Care Trust if it is considering, pursuant to a term of the general medical services contract that gives effect to paragraph 115(7) of Schedule 6 to the 2004 Regulations, or an equivalent term in the default contract, whether the cumulative effect of breaches under that contract is such that to allow the contract to continue would be prejudicial to the efficiency of the services provided under that contract; but
- (b) shall not, pursuant to sub-paragraph (a), take into account any determination of an appropriate Primary Care Trust that was made more than 6 years prior to the date upon which the contracting PCT is considering terminating the general medical services contract or the default contract (as the case may be).

(6) Where—

- (a) a Performers List PCT has received notification from an appropriate Primary Care Trust pursuant to paragraph (2); or
- (b) where an appropriate Primary Care Trust that has taken a decision pursuant to paragraph (2) is also the Performers List PCT,

it shall consider what (if any) action it should take in respect of that doctor pursuant to its powers under the Performers Lists Regulations.

99.—(1) Where—

- (a) a doctor has appealed against a determination of a Primary Care Trust in accordance with regulation 9 before the relevant date, but that appeal has not been finally determined before that date; or
- (b) in respect of a determination made by a Primary Care Trust in accordance with regulation 8 before the relevant date, the time limit specified in regulation 9(2) for appealing that determination has not expired before the relevant date, and the doctor serves a notice of appeal on or after the relevant date but within the time limit specified in regulation 9(2),

that appeal shall be determined pursuant to regulations 9, 10 and 11, as if the amendments to those regulations and Schedule 5 had not taken effect.

(2) Where an appropriate Primary Care Trust has made a determination in respect of a doctor on or after the relevant date pursuant to this Part—

- (a) the doctor shall be entitled to appeal against that determination in accordance with regulation 9; and
- (b) that appeal shall be determined pursuant to regulations 9, 10 and 11,

as if the amendments to those regulations and to Schedule 5 had not taken effect.

(3) Where, on or after the relevant date, the Secretary of State is determining pursuant to regulation 9, 10 or 11 (as the case may be) what (if any) action to take in respect of a doctor, he shall make a determination pursuant to those regulations as if the amendments to those regulations and to Schedule 5 had not taken effect and that determination shall have effect in accordance with this article.

(4) If, in accordance with paragraph (3), the Secretary of State determines pursuant to—

- (a) regulation 8(3), that he would have considered it appropriate to impose a special limit on the number of persons for whom a doctor may undertake to provide treatment;
- (b) pursuant to regulation 9(3)(d), that there has been an overpayment and, if so, what amount;
- (c) pursuant to regulation 8(5)(a) and 9(3) or 11, that an amount shall be recovered from the doctor; or
- (d) pursuant to regulation 8(5)(c), that he would have warned the practitioner to comply more closely with his terms of service in future, if those terms of service were still applicable,

he shall, in addition to the persons specified in regulation 10(14), notify the Primary Care Trusts specified in paragraph (5).

(5) The Secretary of State shall, pursuant to paragraph (4)(a) to (d), notify the contracting PCT and the Performers List PCT (if any) of his determination if those Primary Care Trusts are different to the Primary Care Trust referred to in regulation 10(14).

(6) Where, pursuant to regulation 8(5)(a) and 9(3) or 11, the Secretary of State has determined that an amount shall be recovered from a doctor he shall direct the appropriate Primary Care Trust, to recover that amount from the doctor and that amount shall be a debt owed to that appropriate Primary Care Trust.

(7) Where, pursuant to paragraph (5), the Secretary of State has notified the contracting PCT that he has taken any of the decisions specified in paragraph (4)(a) to (d), whether or not the contracting PCT is also the appropriate Primary Care Trust, paragraph (8) shall apply without prejudice to any other right the contracting PCT may have to take action against the relevant contractor pursuant to any term of the general medical services contract or default contract.

(8) Where this paragraph applies, the contracting PCT may, in relation to a relevant contractor, take into account the determination of the Secretary of State if it is considering, pursuant to a term of the general medical services contract that gives effect to paragraph 115(7) of Schedule 6 to the 2004 Regulations, or an equivalent term in the default contract, whether the cumulative effect of breaches under that contract is such that to allow the contract to continue would be prejudicial to the efficiency of the services provided under that contract.

(9) The contracting PCT shall not, pursuant to paragraph (8), take into account any notification received that relates to a determination that was made by the Secretary of State that occurred more than 6 years prior to the date upon which the contracting PCT is considering the matter pursuant to paragraph (8).

(10) Where a Performers List PCT has received notification from the Secretary of State pursuant to paragraph (4) or (5), whether or not the Performers List PCT is also the appropriate Primary Care Trust, it shall consider what (if any) action it should take in respect of that doctor pursuant to its powers under the Performers Lists Regulations.

(2) Where, pursuant to paragraph (1), the Local Medical Committee makes a determination pursuant to regulation 16(6), it shall forward its report to the contracting PCT and the Performers List PCT (if any), in addition to the persons specified in regulation 16(6), unless the doctor exercises his right of appeal pursuant to regulation 16.

- (a) has not been referred for consideration by the Local Medical Committee; or
- (b) has been referred to the Local Medical Committee and the Local Medical Committee has not yet finally determined the matter pursuant to regulation 18,
