

SCHEDULE 1

The Mayoral Elections Rules

PART 3

Stages common to contested and uncontested elections

Subscription of nomination paper

8.—(1) The nomination paper must be subscribed by two electors as proposer and seconder, and by twenty-eight other electors as assenting to the nomination.

(2) Where a nomination paper has the signatures of more than the required number of persons as proposing, seconding or assenting to the nomination of a candidate, the signature or signatures (up to the required number) appearing first on the paper in each category must be taken into account to the exclusion of any others in that category.

(3) The nomination paper must give the electoral number of each person subscribing it.

(4) The returning officer—

(a) must supply any elector with as many forms of nomination paper and forms of consent to nomination as may be required at the place and during the time for delivery of nomination papers, and

(b) must at any elector's request prepare a nomination paper for signature,

but it is not necessary for a nomination or consent to nomination to be on a form supplied by the returning officer.

(5) In this rule “elector”—

(a) means a person who is registered in the register of local government electors for the electoral area in question on the last day for the publication of notice of the election; and

(b) includes a person then shown in the register as below voting age if (but only if) it appears from the register that he will be of voting age on the day fixed for the poll.

(6) But, in this rule, “elector” does not include a person who has an anonymous entry in the register.
