Re-employed and rejoining deferred members

16.—(1) Where a deferred member becomes an active member in an employment ("the new employment") before becoming entitled to the immediate payment of retirement benefits, he may, by giving notice in accordance with paragraph (4), choose to have his membership in any former employment aggregated with his membership in the new employment.

(b) only such periods of membership as are specified in the notice.

(3) But a member cannot choose to aggregate any period of former membership which he could have chosen to aggregate with another period of former membership but did not before the expiry of the period mentioned in paragraph (4)(b).

(4) Notice for the purposes of paragraph (1) must be given in writing—

- (a) while the deferred member is an active member in the new employment;

(5) References in this regulation to former membership include all membership which the member was entitled to count as membership immediately before he ceased his former active membership.

(6) Where a person ceases to be an active member in one employment and immediately becomes an active member in another employment, he shall be treated for the purposes of this regulation as if he were a deferred member as respects the first employment, despite never having ceased to be an active member of the Scheme.

Concurrent employments

17.—(1) Where a person—

- (a) ceases to be an active member in one employment in respect of which he has at least three months' total membership ("the first employment"); and

he may elect to have his former membership in respect of the first employment aggregated with his membership in that other employment.

(2) If he so elects, the provisions of [regulation 16](#) shall apply as if references to—

- (a) his former membership or former active membership were references to his membership from his first employment;
- (b) the new employment were references to his concurrent employment; and
- (c) the employment in which he becomes an active member again were references to that concurrent employment.

(3) In the case of a person to whom this regulation applies, the period of membership which will be aggregated with his membership from the concurrent employment will be equal to his membership from his first employment, as reduced under regulation 7(3) and (4) of the Benefits Regulations if the first employment was part-time, multiplied by the fraction—

$$\frac{\text{whole-time rate of pay in the first employment}}{\text{whole-time rate of pay in concurrent employment}}$$

where the rate of pay in each case is the annual rate of pay on the last day of the first employment.

PART 3

CONTRIBUTIONS

Contributions during child-related leave

18.—(1) If a person who is a member, or has applied to be a member, goes on maternity, paternity or adoption leave, the person must make contributions as respects any part of the period of maternity, paternity or adoption absence for which the person is a member and entitled to receive pay (including statutory pay).

(2) But that pay does not include any amount that reduces the member's actual pay on account of possible entitlement to statutory pay.

(3) Such contributions must be made at the contribution rate on that pay.

(4) If a person who is a member or has applied to be a member—

- (a) goes on ordinary maternity leave, paternity leave or ordinary adoption leave; and
- (b) is not entitled to receive pay (including statutory pay) for all or any part of that period of leave,

the person shall be treated for the purposes of these Regulations and the Benefits Regulations as if the person had paid contributions under paragraph (1) for the unpaid period of that leave and on the pay that the person would have received during that period but for the absence.

(5) If a person who is a member or has applied to be a member—

- (a) is on maternity or adoption leave (other than ordinary maternity or adoption leave), and
- (b) for all or part of the period of maternity or adoption absence is not entitled to receive pay (including statutory pay) but is a member,

the person may make contributions at the contribution rate as respects the unpaid period of that absence as if the person's pay in the employment were equal to the adjusted pay.

(6) The adjusted pay shall be the pay the person was entitled to receive immediately before the unpaid period first began (including statutory pay) but—

- (a) not including any amount that reduces actual pay on account of the person's possible entitlement to statutory pay; and
- (b) disregarding any amount the person receives on account of a day's work carried out under regulation 12A of the Maternity and Parental Leave etc. Regulations 1999⁽²¹⁾ or regulation 21A of the Paternity and Adoption Leave Regulations 2002⁽²²⁾ that exceeds any maternity, paternity or parental leave pay due for that day.

(7) A member to whom paragraph (5) applies may continue to pay contributions under regulation 25 (additional voluntary contributions) which the member was paying immediately before the leave began.

(8) If an active member goes on maternity, paternity or adoption leave, the member must continue to make any payments the member was making under regulation 23 of these Regulations (additional regular contributions) or regulation 55 of the 1997 Regulations (payments to increase total membership) on the pay the member would have received during the period but for the leave.

(9) In this regulation—

“ordinary adoption leave” means leave under section 75A of the Employment Rights Act 1996⁽²³⁾;

⁽²¹⁾ S.I. 1999/3312; regulation 12A was inserted by S.I. 2006/2014, regulations 3, 9.

(3) Those contributions continue to be payable to the appropriate fund at the same rates on that pay.

(4) If he is not obliged to pay contributions under paragraph (2), he must be treated for the purposes of these Regulations and the Benefits Regulations as if he had paid them and also any payments under regulation 23 of these Regulations or regulation 55 of the 1997 Regulations that he would have been liable to pay if he had continued to be employed in his former employment.

(5) If he was paying any contributions under regulation 25(1) immediately before his leave began—

- (a) he may continue to pay, or may stop paying, them; and
- (b) unless he has stopped paying them, the appropriate administering authority must, throughout the period of his relevant reserve forces service, continue to pay such contributions as were to be used to provide benefits for him on his death.

(6) His relevant reserve forces service counts as a period of membership in his former employment.

(7) If during that service, he—

- (a) dies;
- (b) attains his normal retirement age; or
- (c) becomes incapable for health reasons of working efficiently in local government employment,

he must be treated as if he were in that employment at that time.

(8) In this regulation—

“cancelling notice” in relation to a person’s relevant reserve forces service, means—

- (a) an agreement, by a member who has not waived his right to receive a return of contributions under regulation 46, to receive a return of contributions; or
- (b) a notice in writing given by him to the appropriate administering authority not later than 12 months after the end of the period of service to which the notice relates (or within such longer period as the administering authority may allow) that the service should not be treated as relevant reserve forces service;

“relevant reserve forces service” means service (other than service for the purposes of training only or service for a period in respect of which a cancelling notice has been served)—

- (a) in pursuance of any notice or directions given under any enactment which provides for the calling out on permanent service, or the calling into actual service, or the embodiment of, any reserve or auxiliary force, or members of such a force, or the recall of service pensioners;
- (b) in pursuance of any obligation or undertaking to serve when called upon as a commissioned officer; or
- (c) rendered by virtue of section 14(1) or 34 of the Reserve Forces Act 1980⁽²⁷⁾,

and paragraph (b) applies whether or not the obligation or undertaking is legally enforceable, but not in the case of an obligation or undertaking to accept a permanent commission or a commission for a fixed term or to serve for the purposes of periodical training;

“reserve forces pay” in relation to any person, is the total of—

- (a) his pay for performing relevant reserve forces service (including marriage, family and similar allowances); and
- (b) any payments under Part 5 of the Reserve and Auxiliary Forces (Protection of Civil Interests) Act 1951⁽²⁸⁾;

“reserve forces service leave” in relation to a person, means being away from work—

- (a) after—
 - (i) he has left the employment in which he is an active member, or
 - (ii) he has been granted leave of absence from such an employment, in order to perform relevant reserve forces service;
- (b) without having agreed to receive a return of contributions under regulation 46; and

Contributions during trade dispute absence

20.—(1) If a person—

- (a) is away from work without permission for a period of one or more days during and because of a trade dispute (“a trade dispute absence”), and
- (b) was a member immediately before—
 - (i) that period, or
 - (ii) where two or more periods of absence have occurred because of one such dispute, the first such period,

he may make a contribution for the relevant contribution period at the rate of 16% on his lost pay for that period.

(2) A person’s lost pay is the difference between—

- (a) his actual pay (if any), and
- (b) the pay he would have received but for the trade dispute absence;

and, in determining that difference, any guarantee payments under Part 3 of the Employment Rights Act 1996⁽²⁹⁾ must be disregarded.

(3) A period is a person’s relevant contribution period if—

- (a) it is co-extensive with one of the intervals at which he is required under regulation 3 of the Benefits Regulations to make contributions; and
- (b) it includes all or part of his trade dispute absence.

(4) The termination of a person’s contract of employment because of a trade dispute does not prevent this regulation applying to him if he again becomes an employee of the same employing authority and a member not later than the day after the dispute ends.

(5) A member to whom paragraph (1) applies—

- (a) may continue to pay contributions under regulation 25 (additional voluntary contributions) which he was paying immediately before his trade dispute absence began; and
- (b) must continue to make any payments he was making under regulation 23 of these Regulations (additional regular contributions) or regulation 55 of the 1997 Regulations (payments to increase total membership) on the pay he would have received during the relevant contribution period but for his absence.

(6) In paragraph (1)(a), “trade dispute” has the meaning given in section 218 of the Trade Union and Labour Relations (Consolidation) Act 1992⁽³⁰⁾.

Contributions during absences with permission

21.—(1) If a member—

- (a) is away from his employment with permission (otherwise than because of illness or injury)

⁽²⁹⁾ 1996 c.18.

⁽³⁰⁾ 1992 c.52.

(i) for a continuous period of less than 31 days, or
(ii) on jury service for any period; and
(b) is receiving reduced pay or no pay,
he must make the payments specified in paragraph (2) on the pay he would have received during that period but for his absence (“his deemed pay”).

(2) The payments are—

- (a) contributions at the contribution rate; and
- (b) any payments he was making under regulation 23 of these Regulations (additional regular contributions) or regulation 55 of the 1997 Regulations (payments to increase total membership).

(3) The member may continue to pay contributions under regulation 25 (additional voluntary contributions) which he was paying immediately before the absence began.

(4) If a member—

- (a) is away from his employment with permission (otherwise than because of illness or injury) for a continuous period of more than 30 days; and
- (b) is receiving reduced pay or no pay,

he must make the payments specified in paragraph (5) on his deemed pay.

(5) The payments are—

- (a) contributions at the contribution rate for the first 30 days’ absence; and
- (b) any payments he was making under regulation 23 of these Regulations or regulation 55 of the 1997 Regulations.

(6) The member may—

- (a) make contributions at the contribution rate on his deemed pay for the remainder of the period of absence subject to a maximum of 36 months; and
- (b) continue to pay contributions under regulation 25 which he was paying immediately before the absence began.

Applications to make absence contributions

22.—(1) To make contributions under regulation 18(5), 20 or 21(6)(a) a person must apply to his employing authority in writing before the expiry of a period of 30 days beginning with the day—

- (a) on which he returns to work, if he returns to work following the absence; or
- (b) on which he ceases to be employed, if he ceases to be employed by that authority without returning to work.

(2) In either case, the authority may allow a longer period.

(3) A person’s personal representatives may make an application under paragraph (1) if the person has died without making an application.

Payment of additional regular contributions (ARCs)

23.—(1) A member who chooses to pay additional contributions under regulation 14 of the Benefits Regulations must make his request in writing to the appropriate administering authority.

(2) The member’s request must be copied to the member’s employing authority and must state the length of the period (“the ARC payment period”) over which he wishes to pay the additional regular contributions (“ARCs”).

- (3) If—
- (a) the member's appropriate administering authority passes a resolution requiring him to satisfy it that he is in reasonably good health by producing to it a report by a registered medical practitioner of the results of a medical examination undertaken at the member's own expense; but
 - (b) it is not so satisfied,
- it may refuse his request.
- (4) The length of the ARC payment period must be such that it ends before the member's normal retirement age.
- (5) The member may only pay ARCs if the appropriate administering authority notifies him in writing that it agrees to the request.
- (6) The Government Actuary shall from time to time determine the amount of ARCs required for any given amount of increased pension and may determine different amounts of ARCs—
- (a) for—
 - (i) persons of different ages, or
 - (ii) men or women; or
 - (b) depending on the length of different payment periods.
- (7) Where the appropriate administering authority agrees to the member's request—
- (a) it must notify him and his employing authority of the amount of ARCs payable by him in accordance with the Government Actuary's determination, expressed as an amount in pounds sterling; and
 - (b) the member must pay those ARCs from the next payment period (as defined in regulation 13(8)) following the date of the administering authority's notification under paragraph (5).
- (8) The Government Actuary may at any time redetermine any amount determined under paragraph (6) and, if he does so, the member must, from 1st April following the redetermination, pay ARCs in accordance with the redetermination.
- (9) If the member pays (or is treated under regulation 24 as having paid) ARCs for the whole of the ARC payment period, he must be credited with the additional annual pension of the amount that those ARCs purchase.

Discontinuance of ARCs

- 24.—**(1) A member—
- (a) may stop paying his ARCs before the end of the ARC payment period if he notifies the appropriate administering authority and the employing authority in writing that he wishes to do so; and
 - (b) must stop doing so if he ceases to be an active member.
- (2) If a member stops paying his ARCs before the end of the ARC payment period—
- (a) on leaving his employment on the grounds of ill-health and his employing authority making a determination in respect of him under regulation 20(2) or (3) of the Benefits Regulations; or
 - (b) on his death,
- he is to be treated as having paid his ARCs up to the end of that period.

(3) If a member stops paying his ARCs and paragraph (2) does not apply to him, he must be credited with additional pension of an amount determined by the Government Actuary, having regard to the ARCs he paid before he stopped.

Additional voluntary contributions and shared cost additional voluntary contributions

25.—(1) An active member may elect to pay additional voluntary contributions (“AVCs”) into a scheme established under contract between his appropriate administering authority and a body approved for the purposes of the Finance Act 2004 (“an additional voluntary contributions arrangement”).

(2) The additional voluntary contributions arrangement must be a money purchase pension scheme registered in accordance with the Finance Act 2004 and administered in accordance with that Act and the Pensions Act 2004⁽³¹⁾.

(3) Where the member’s employing authority contributes to the scheme, the additional voluntary contributions arrangement is to be known as a shared cost additional voluntary contributions arrangement and contributions to it as “SCAVCs”.

(4) Such AVCs or SCAVCs are in addition to any other contributions the member may pay under regulation 23.

(5) Where the member elects to pay AVCs or SCAVCs, he must first—

- (a) notify his employing authority in writing; and
- (b) in the notification specify—
 - (i) the percentage of his pensionable pay he wishes to pay or the amount he wishes to pay on his usual pay days from his pay,
 - (ii) whether he wishes any of his AVCs or SCAVCs to be used to provide benefits payable on his death, and
 - (iii) if he does, the proportion to be so used.

(6) A member may—

- (a) vary—
 - (i) the amount of his AVCs or SCAVCs, or
 - (ii) the proportion of them to be used to provide benefits payable on his death; or
- (b) stop paying AVCs or SCAVCs.

(7) Where he wishes to do so, he must first notify his employing authority in writing.

(8) An active member may, by notifying his administering authority in writing, transfer into his additional voluntary contributions arrangement constituted under this regulation the accumulated value of any other additional voluntary contributions arrangement to which he has subscribed.

(9) An election to pay AVCs or SCAVCs may be made in respect of each employment in respect of which a person is a member.

(10) The maximum a person may specify under paragraph (5)(b)(i) or notify under paragraph (7) as the varied amount in respect of each employment is 50 per cent of the pensionable pay of that employment or an amount equal to 50 per cent of the pensionable pay of that employment.

Use of accumulated value of AVCs and SCAVCs

26.—(1) This regulation applies where a person who has paid AVCs or SCAVCs during his employment or made a transfer under regulation 25(8) —

(31) 2004 c.35.

- (a) leaves his employment with the employing authority he notified under regulation 25(5)
 - (a)—
 - (i) without entitlement to the immediate payment of retirement benefits, or
 - (ii) with such entitlement under regulation 16, 17, 18, 19, 30 or 31 of the Benefits Regulations;
 - (b) stops being an active member without leaving that employment; or
 - (c) becomes entitled to ill-health benefits under regulation 20 of those Regulations.
- (2) A person mentioned in paragraph (1)(a)(i) must notify the employing authority in writing that he wishes the accumulated value of the AVCs or SCAVCs (“the accumulated value”) to be used in one or more of the permissible ways specified in the notification.
- (3) The permissible ways are—
 - (a) to subscribe to a registered pension scheme (other than the Scheme);
 - (b) to purchase an appropriate policy from one or more insurance companies (within the meaning of section 275 of the Finance Act 2004).
- (4) A person mentioned in paragraph (1)(a)(ii) or (c) may notify the employing authority in writing that he wishes the accumulated value to be used to provide additional pension for him under the Scheme, or partly to provide such pension for him.
- (5) If he does so, he becomes entitled to such additional pension as is shown as appropriate in guidance issued by the Government Actuary.
- (6) The employing authority must send a notification under paragraph (2) or (4) to the appropriate administering authority as soon as possible.
- (7) In the case of a person mentioned in paragraph (1) (b)—
 - (a) the employing authority must, as soon as possible, inform the appropriate administering authority that the person has stopped being an active member; and
 - (b) the accumulated value must be used to subscribe to a registered scheme that is not an occupational pension scheme.
- (8) The appropriate administering authority must make such arrangements as are necessary for the use of the accumulated value in accordance with a notification under paragraph (2) or (4) or with paragraph (7)(b).

Separate treatment of AVCs and SCAVCs from other contributions

- 27.—(1) Regulations 46 (return of contributions) and 47 (exclusion of rights to return of contributions) do not apply to—
- (a) AVCs or SCAVCs payable under these Regulations or under any agreement made for the payment of AVCs before the commencement date; or
 - (b) interest on late payments which relate to AVCs or SCAVCs.
- (2) The regulations mentioned in paragraph (3) do not apply in relation to benefits under—
- (a) such a policy as is mentioned in regulation 26(3)(b); or
 - (b) any agreement made for the payment of AVCs or SCAVCs before the commencement date.
- (3) Those regulations are—
- (a) regulation 55 (first instance decisions);
 - (b) regulation 72 (forfeiture of pension rights);
 - (c) regulation 73 (interim payments directions); and
 - (d) regulation 74 (recovery and retention where former member has misconduct obligations).

Cost of calculations of additional pension where no notification given under regulation 26(4)

28.—(1) This regulation applies where, at a member's request, an administering authority give him information concerning the amount of additional pension which would be payable if he were to give a notification under regulation 26(4).

(2) If the member does not give such a notification before the expiry of the period of three months beginning with the date the authority gives him the information, it may deduct the cost of calculating that amount from the accumulated value of the additional contributions mentioned in regulation 15(1) of the Benefits Regulations.

PART 4

PENSION FUNDS AND EMPLOYERS' PAYMENTS

The pension funds

29. The bodies responsible for maintaining pension funds for the Scheme immediately before the commencement date must continue to maintain them unless the fund is vested in a different body by or under any enactment.

Appropriate funds

30.—(1) The appropriate fund for a member or a person who is entitled to any benefit in respect of a person who has been a member is—

- (a) in the case of an active member, the fund specified for a member of his description in accordance with Schedule 4;
- (b) in the case of—
 - (i) a deferred or pensioner member who is an active member on the commencement date or has been an active member since that date, the fund so specified for a member of his description when he ceases to be an active member, or
 - (ii) a person who is entitled under the Benefits Regulations in respect of a member, the fund so specified for a member of the description of such member when he ceased to be an active member;
- (c) in the case of any other deferred or pensioner member, the fund specified for him by virtue of regulation 11 of the Transitional Regulations⁽³²⁾.

(2) Where these Regulations or the Benefits Regulations refer to payments being made without referring to the fund to which or from which they are to be made, the reference is to payments being made to or from the fund which is the appropriate fund for the member in question.

(3) Paragraph (2) does not apply where the payments made are benefits paid under an additional voluntary contributions arrangement or a shared cost additional voluntary contributions arrangement.

Pension funds: governance compliance statement

31.—(1) This regulation applies to the written statement prepared and published by an administering authority under regulation 73A of the 1997 Regulations ⁽³³⁾.

(2) The authority must—

⁽³²⁾ S.I. 2008/238.

⁽³³⁾ Regulation 73A was inserted by S.I.2005/3199 and substituted by S.I.2007/1561.

 - (b) make such revisions as are appropriate following a material change in respect of any of the matters mentioned in paragraph (3); and
 - (c) if revisions are made—
 - (i) publish the statement as revised, and
 - (ii) send a copy of it to the Secretary of State.
- (3) The matters are—
- (a) whether the authority delegates its function, or part of its function, in relation to maintaining a pension fund to a committee, a sub-committee or an officer of the authority;
 - (b) if it does so—
 - (i) the terms, structure and operational procedures of the delegation,
 - (ii) the frequency of any committee or sub-committee meetings,
 - (iii) whether such a committee or sub-committee includes representatives of employing authorities (including authorities which are not Scheme employers) or members, and, if so, whether those representatives have voting rights;
 - (c) the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent it does not so comply, the reasons for not complying.
- (4) In reviewing and making revisions to the statement, the authority must consult such persons as it considers appropriate.

Admission agreement funds

32.—(1) An administering authority which has made an admission agreement may establish a further pension fund (an “admission agreement fund”) in addition to the fund maintained under regulation 29 (“the main fund”).

(2) Immediately after an authority establishes an admission agreement fund, it must give the Secretary of State written notice that it has done so.

(3) The notice must specify the admission bodies whose employees are eligible for benefits from the admission agreement fund.

(4) Where an admission agreement fund is established—

- (a) the liabilities of the main fund as respects membership in employment with those specified bodies become liabilities of the admission agreement fund; and
- (b) assets of such value as an actuary appointed by the appropriate administering authority determines to be appropriate must be transferred from the main fund to the admission agreement fund.

(5) When valuations under regulation 36 of both the main fund and the admission agreement fund are first obtained after the admission agreement fund is established, the administering authority must obtain a transfer statement from an actuary appointed by the authority.

(6) The transfer statement must specify whether, in the actuary’s opinion, there is a need for further assets to be transferred from the main fund to the admission agreement fund and, if so, their value.

(7) Where the transfer statement specifies that assets of a specified value need to be transferred, the administering authority must arrange for assets of that value to be transferred as soon as is reasonably practicable.

Accounts and audit

33.—(1) After any of its pension funds has been audited, an administering authority must immediately send copies of the following to each body whose employees are active members—

- (a) a summary of the revenue account and balance sheet of the fund; and
- (b) any report by the auditor.

(2) The pension input period for the purposes of section 238 of the Finance Act 2004⁽³⁴⁾ is the year ending on 31st March 2009 and each year ending on 31st March after that year.

Pension fund annual report

34.—(1) An administering authority must, in relation to each year beginning on 1st April 2008 and each subsequent year, prepare a document (“the pension fund annual report”) which contains—

- (a) a report about the management and financial performance during the year of each of the pension funds maintained by the authority;
- (b) a report explaining the authority’s investment policy for each of those funds and reviewing the performance during the year of the investments of each fund;
- (c) a report of the arrangements made during the year for the administration of each of those funds;
- (d) for each of those funds, a statement by the actuary who carried out the most recent valuation of the assets and liabilities of the fund in accordance with regulation 36 (actuarial valuations and certificates), of the level of funding disclosed by that valuation;
- (e) the current version of the statement under regulation 31 (governance compliance statement);
- (f) for each of those funds, the fund account and net asset statement with supporting notes and disclosures prepared in accordance with proper practices⁽³⁵⁾;

- (k) any other material which the authority considers appropriate.

(2) The authority must publish the pension fund annual report on or before 1st December following the year end.

(3) In preparing and publishing the pension fund annual report, the authority must have regard to guidance given by the Secretary of State.

⁽³⁴⁾ 2004 c.12.

⁽³⁵⁾ For “proper practices” see section 21 of the Local Government Act 2003 (c.26) and regulation 31 of S.I. 2003/3146.

Funding strategy statement

35.—(1) This regulation applies to the funding strategy statement prepared and published by an administering authority under regulation 76A of the 1997 Regulations (37).

- (2) The authority must—
- (a) keep the statement under review;
 - (b) make such revisions as are appropriate following a material change—
 - (i) in its policy on the matters set out in the statement, or
 - (ii) to the current version of its statement under regulation 9A of the Local Government Pension Scheme (Management and Investment of Funds) Regulations 1998 (statement of investment principles); and
 - (c) if revisions are made, publish the statement as revised.
- (3) In reviewing and making revisions to the statement, the authority must—
- (a) have regard to the guidance set out in the document published in March 2004 by CIPFA and called “CIPFA Pensions Panel Guidance on Preparing and Maintaining a Funding Strategy Statement (Guidance note issue No.6)”; and
 - (b) consult such persons as it considers appropriate.

Actuarial valuations and certificates

- 36.**—(1) Each administering authority must obtain—
- (a) an actuarial valuation of the assets and liabilities of each of its pension funds as at 31st March 2010 and in every third year afterwards;
 - (b) a report by an actuary in respect of the valuation; and
 - (c) a rates and adjustments certificate prepared by an actuary.

(2) Each of those documents must be obtained before the first anniversary of the date (“the valuation date”) as at which the valuation is made or such later date as the Secretary of State may agree.

(3) A report under paragraph (1)(b) must contain a statement of the demographic assumptions used in making the valuation; and the statement must show how the assumptions relate to the events which have actually occurred in relation to members of the Scheme since the last valuation.

- (4) A rates and adjustments certificate is a certificate specifying—
- (a) the common rate of employer’s contribution; and
 - (b) any individual adjustments,

for each year of the period of three years beginning with 1st April in the year following that in which the valuation date falls.

(5) The common rate of employer’s contribution is the amount which, in the actuary’s opinion, should be paid to the fund by all bodies whose employees contribute to it so as to secure its solvency, expressed as a percentage of the pay of their employees who are active members.

- (6) The actuary must have regard to—
- (a) the existing and prospective liabilities of the fund arising from circumstances common to all those bodies;
 - (b) the desirability of maintaining as nearly constant a common rate as possible; and

(37) Regulation 76A was inserted by [S.I.2004/573](#).

(c) the current version of the administering authority's funding strategy statement mentioned in regulation 35.

(7) An individual adjustment is any percentage or amount by which, in the actuary's opinion, contributions at the common rate should, in the case of a particular body, be increased or reduced by reason of any circumstances peculiar to that body.

(8) A rates and adjustments certificate must contain a statement of the assumptions on which the certificate is given as respects—

- (a) the number of members who will become entitled to payment of pensions under provisions of the Scheme; and
- (b) the amount of the liabilities arising in respect of such members,

during the period covered by the certificate.

(9) The authority must provide the actuary preparing a valuation or a rates and adjustments certificate with the consolidated revenue account of the fund and such other information as he requests.

Supply of copies of valuations, certificates etc

37.—(1) An administering authority must send copies of any valuation, report, certificate or revised certificate obtained under regulation 36 or 38 to—

- (a) the Secretary of State;
- (b) each body with employees who contribute to the fund in question; and
- (c) any other body which is or may become liable to make payments to that fund.

(2) An administering authority must also send to the Secretary of State—

- (a) a copy of the consolidated revenue account with which the actuary was provided under regulation 36(9); and
- (b) a summary of the assets of the fund at the valuation date (unless such a summary is contained in the report under regulation 36(1)(b)).

Special circumstances where revised actuarial valuations and certificates must be obtained

38.—(1) When obtaining a transfer statement under regulation 32(5), an administering authority must also obtain from the actuary a rates and adjustments certificate for the admission agreement fund for each remaining year of the period covered by the most recent such certificate for its main fund.

(2) Where an admission agreement ceases to have effect, the administering authority which made it must obtain—

- (a) an actuarial valuation as at the date it ceases of the liabilities of the fund in respect of current and former employees of the admission body which is a party to that agreement ("the outgoing admission body"); and
- (b) a revision of any rates and adjustments certificate for any fund which is affected, showing the revised contributions due from that body.

(3) Where, for any reason, it is not possible to obtain revised contributions from the outgoing admission body, or from an insurer or any person providing an indemnity or bond on behalf of that body, the administering authority may obtain a further revision of any rates and adjustments certificate for the fund, showing—

- (a) in a case where that body is a transferee admission body within regulation 6(2)(a) or (b), the revised contributions due from the body which is the Scheme employer in relation to that admission body; and
 - (b) in any other case, the revised contributions due from each employing authority which contributes to the fund.
- (4) An administering authority may obtain from an actuary a certificate specifying, in the case of an admission body, the percentage or amount by which, in the actuary's opinion—
- (a) the contribution at the common rate should be adjusted; or
 - (b) any prior individual adjustment should be increased or reduced,
- with a view to providing that the value of the assets of the fund in respect of current and former employees of that body is neither materially more nor materially less than the anticipated liabilities of the fund in respect of those employees at the date the admission agreement is to end.
- (5) Paragraph (6) applies where—
- (a) an administering authority agrees with an employing authority as mentioned in regulation 40(4); or
 - (b) it appears to an administering authority that the amount of the liabilities arising or likely to arise in respect of members in employment with an employing authority exceeds the amount specified in, or likely as a result of, the assumptions stated for that authority in a rates and adjustments certificate by virtue of regulation 36(8).
- (6) The administering authority must obtain a revision of the rates and adjustments certificate concerned, showing the resulting changes as respects that employing authority.

Employer's contributions

- 39.**—(1) An employing authority must contribute to the appropriate fund in each year covered by a rates and adjustments certificate under regulation 36 or 38 the amount appropriate for that authority as calculated in accordance with the certificate and paragraph (4).
- (2) During each of those years an employing authority must make payments to the appropriate fund on account of the amount required for the whole year.
- (3) Those payments on account must—
- (a) be paid at the end of the intervals determined under regulation 42; and
 - (b) equal the appropriate proportion of the whole amount due under paragraph (1) for the year in question.
- (4) An employer's contribution for any year is the common percentage for that year of the pay on which contributions have, during that year, been paid to the fund under regulations 18 (contributions during child-related leave), 19 (contributions during reserve forces service leave) or 21 (contributions during absences with permission) or regulation 3 of the Benefits Regulations (contributions payable by active members) by employees who are active members, increased or reduced by any individual adjustment specified for that employer for that year in the rates and adjustments certificate.
- (5) The common percentage is the common rate of employer's contribution specified in that certificate, expressed as a percentage.
- (6) Where an employee—
- (a) is treated under paragraph (4) of regulation 18 as if he had paid contributions; or
 - (b) has paid contributions during a period of maternity, paternity or adoption absence (within the meaning of that regulation),

Interest

44.—(1) An administering authority may require an administering or employing authority from which payment of any amount due under regulations 39 to 42 (employers' contributions or payments) or regulation 86 (changes of fund) is overdue to pay interest on that amount.

(2) The date on which any amount due under regulations 39 to 41 is overdue is the date one month from the date specified by the administering authority for payment.

(3) The date on which any amount due under regulation 42 (other than any extra charge payable under regulation 40 or 41 and referred to in regulation 42(1)(c)) is overdue is the day after the date when that payment is due.

(4) Interest due under paragraph (1) or payable to a person under regulation 45(5) (deduction and recovery of member's contributions), 46(2) (rights to return of contributions) or 51 (interest on late payment of certain benefits) must be calculated at one per cent. above base rate on a day to day basis from the due date to the date of payment and compounded with three-monthly rests.

- (b) the amount has not been repaid to him before the expiry of the period of one month beginning with the date of deduction,

the appropriate body must pay him interest on that amount; and the due date for the calculation of the interest under regulation 44(4) is the date of deduction.

(6) Where the employee's contributions have been paid into the appropriate fund, the repayment and interest must be made out of that fund.

(7) The "appropriate body" for the purpose of paragraph (5) is—

- (a) the appropriate administering authority where the employee's contributions have been paid into the appropriate fund; and

(3) A person who is entitled to a repayment of contributions under paragraph (1) may waive his entitlement for any period and, if he becomes an active member again before the expiry of that period, he shall cease to be so entitled (but without prejudice to any entitlement arising later under that paragraph in respect of those contributions).

(4) A person who continues as an active member in another employment he held concurrently with the employment in which he has ceased to be an active member may elect for an amount equal to the repayment to be treated as contributions to the Scheme as respects his membership in that concurrent employment, entitling him to a period of membership equal to the period of membership in the employment which has ceased, as reduced under regulation 7(3) of the Benefits Regulations if the employment which has ceased was part-time, multiplied by the fraction—

whole-time rate of pay of the employment which has ceased

whole-time rate of pay of the employment which is continuing

where the rate of pay in each case is the annual rate of pay on the last day of employment in the employment that has ceased.

(5) A person who elects under paragraph (4) ceases to be entitled to that repayment (but without prejudice to any entitlement arising later in respect of the concurrent employment).

Exclusion of rights to return of contributions

Appeals by administering authorities

63.—(1) This regulation applies where an employing authority—

- (a) has decided, or failed to decide, any question falling to be decided by that employer under regulation 55 (otherwise than in the exercise of a discretion); and
- (b) is not an administering authority.

(2) The administering authority maintaining the pension fund to which the employing authority pays contributions may appeal to the Secretary of State to decide the question.

(3) Such an appeal must be made by notice in writing given before the end of—

- (a) the period of six months beginning with the relevant date; or
- (b) such longer period as the Secretary of State considers reasonable.

(4) The relevant date is—

- (a) in the case of an appeal relating to a decision notified under regulation 57(1), the date of the notification of the decision; and
 - (b) in the case of an appeal relating to a failure to decide any question, the date of that failure.
- (5) For the purposes of paragraph (4)(b), an employing authority is to be taken to have failed to decide a question at the expiry of the period of three months beginning with the date on which the administering authority has requested a decision in writing.
- (6) The Secretary of State must issue her decision on the appeal by notice in writing to the appellant and to any other person appearing to her to be affected by it.
- (7) Paragraph (8) applies where any person other than the administering authority—
- (a) has made an application under regulation 58 or 60 which has not been determined in respect of any of the matters which are the subject of an appeal under this regulation; or
 - (b) makes such an application—
 - (i) at the same time as such an appeal is made, or
 - (ii) after such an appeal is made and before it is determined.
- (8) The appeal by the administering authority must be stayed—
- (a) pending notification of a decision under regulation 59 or 61 in respect of the application under regulation 58 or 60; or
 - (b) until the application is withdrawn.

PART 7

POLICY STATEMENTS AND INFORMATION

Exchange of information by authorities

- 64.**—(1) An employing authority which is not an administering authority must—
- (a) inform the appropriate administering authority of all decisions made by the employer under Part 6 or this Part concerning members; and
 - (b) give that authority such other information as it requires for discharging its Scheme functions.
- (2) If—
- (a) an administering authority makes any decision under Part 6 or this Part about a person for whom it is not the employing authority; and
 - (b) information about the decision is required by his employing authority for discharging that employer’s Scheme functions,
- that authority must give that employer that information.

Pension administration strategy

- 65.**—(1) An administering authority may prepare a written statement of the authority’s policies in relation to such of the matters mentioned in paragraph (2) as it considers appropriate (“its pension administration strategy”) and, where it does so, paragraphs (3) to (7) apply.
- (2) The matters are—
- (a) procedures for liaison and communication with employing authorities in relation to which it is the administering authority (“its employing authorities”);

- (b) the establishment of levels of performance which the administering authority and its employing authorities are expected to achieve in carrying out their Scheme functions by—
 - (i) the setting of performance targets,
 - (ii) the making of agreements about levels of performance and associated matters, or
 - (iii) such other means as the administering authority considers appropriate;
 - (c) procedures which aim to secure that the administering authority and its employing authorities comply with statutory requirements in respect of those functions and with any agreement about levels of performance;
 - (d) procedures for improving the communication by the administering authority and its employing authorities to each other of information relating to those functions;
 - (e) the circumstances in which the administering authority may consider giving written notice to any of its employing authorities under regulation 43(2) on account of that authority's unsatisfactory performance in carrying out its Scheme functions when measured against levels of performance established under sub-paragraph (b);
 - (f) the publication by the administering authority of annual reports dealing with—
 - (i) the extent to which that authority and its employing authorities have achieved the levels of performance established under sub-paragraph (b), and
 - (ii) such other matters arising from its pension administration strategy as it considers appropriate; and
 - (g) such other matters as appear to the administering authority, after consulting its employing authorities and such other persons as it considers appropriate, to be suitable for inclusion in that strategy.
- (3) An administering authority must—
- (a) keep its pension administration strategy under review; and
 - (b) make such revisions as are appropriate following a material change in its policies in relation to any of the matters contained in the strategy.
- (4) In preparing or reviewing and making revisions to its pension administration strategy, an administering authority must consult its employing authorities and such other persons as it considers appropriate.
- (5) An administering authority must publish—
- (a) its pension administration strategy; and
 - (b) where revisions are made to it, the strategy as revised.
- (6) When an administering authority publishes its pension administration strategy, or that strategy as revised, it must send a copy of it to each of its employing authorities and to the Secretary of State.
- (7) An administering authority and its employing authorities must have regard to the current version of any pension administration strategy when carrying out their Scheme functions.
- (8) In this regulation references to the functions of an administering authority include, where applicable, its functions as an employing authority.

Statements of policy about exercise of discretionary functions

66.—(1) Each employing authority must prepare a written statement of its policy in relation to the exercise of its functions under regulations 12 (power of employing authority to increase total membership of active members), 13 (power of employing authority to award additional pension), 18 (flexible retirement) and 30 (choice of early payment of pension) of the Benefits Regulations.

(2) Before the expiry of the period of three months beginning with the commencement date, each employing authority must send a copy of its statement to each relevant administering authority and must publish its statement.

(3) An employing authority must—

- (a) keep its statement under review; and
- (b) make such revisions as are appropriate following a change in its policy.

(4) Before the expiry of the period of one month beginning with the date any such revisions are made, each employing authority must send a copy of its revised statement to each relevant administering authority and must publish its statement as revised.

(5) In preparing, or reviewing and making revisions to, its statement, an employing authority must have regard to the extent to which the exercise of any of the functions mentioned in paragraph (1) in accordance with its policy could lead to a serious loss of confidence in the public service.

(6) In this regulation, a relevant administering authority, in relation to an employing authority, is any authority which is an appropriate administering authority for that employer's employees.

Statements of policy concerning communications with members and employing authorities

67.—(1) This regulation applies to the written statement prepared and published by an administering authority under regulation 106B of the 1997 Regulations (**45**).

(2) The authority—

- (a) must keep the statement under review,
- (b) make such revisions as are appropriate following a material change in its policy on any of the matters mentioned in paragraph (3); and
- (c) if revisions are made, publish the statement as revised.

(3) The matters are—

- (a) the provision of information and publicity about the Scheme to members, representatives of members and employing authorities;
- (b) the format, frequency and method of distributing such information or publicity; and
- (c) the promotion of the Scheme to prospective members and their employers.

Annual benefit statements

68.—(1) An administering authority must issue an annual benefit statement to each of its active, deferred and pension credit members.

(2) The first such statement must be issued on or before 1st April 2010 and subsequent statements must be issued on or before 1st April in each year after that year.

(3) A statement must contain an illustration of the amount of benefit entitlement, in respect of the rights that may arise under the Scheme, which—

- (a) has been accrued by the member at the relevant date; and
- (b) in the case of an active member, is capable of being accrued by him if he remains in the Scheme until his normal retirement age.

(4) The illustration must be calculated—

- (a) in the case of active members, on the member's pay (or, as respects part-time employees, the whole-time equivalent) for the 12 month period ending with the relevant date;

(45) Regulation 106B was inserted by [S.I.2005/3199](#).

- (b) in the case of deferred members, on the member's final pay; and
 - (c) in the case of pension credit members, in accordance with regulation 153 of the 1997 Regulations, but with the substitution in paragraph (1) of that regulation of "the relevant date" for "normal benefit age".
- (5) The relevant date is—
- (a) 31st March before the date that the statement is issued; or
 - (b) such later date as the authority may choose.

Information to be supplied by employees

69.—(1) Before the expiry of the period of three months beginning with the date a person becomes a member, the employing authority must ask him in writing for the documents specified in paragraph (2).

- (2) Those documents are—
- (a) a statement in writing listing all the person's previous periods of employment; and
 - (b) copies of all notifications previously given to him under these Regulations and the Earlier Regulations.

(3) It must also ask for those documents before the expiry of the period of three months beginning with the occurrence of any change as respects his employment which is material for the Scheme.

(4) A request under paragraph (1) or (3) must include a conspicuous statement that it is important that the member gives full and accurate information, especially for ascertaining his rights under the Scheme.

(5) The employing authority need not request any documents if satisfied that it, or the appropriate administering authority (if different), already has all material information.

PART 8

SPECIAL ADJUSTMENTS

Statements of policy concerning abatement of retirement pensions in new employment

70.—(1) Each administering authority must formulate and keep under review its policy concerning abatement (that is, the extent, if any, to which the amount of retirement pension payable to a member from any pension fund maintained by it under the Scheme should be reduced (or whether it should be extinguished) where the member has entered a new employment with a Scheme employer, other than one in which he is eligible to belong to a teachers' scheme).

(2) Before formulating that policy, an administering authority must consult with the authorities who employ active members for whom it is the appropriate administering authority.

(3) Before the expiry of the period of three months beginning with 1st April 2008, each administering authority shall publish a statement as to the policy that it currently applies where a member who is entitled to a retirement pension enters such a new employment on or after that date.

(4) Where, as a result of reviewing its policy concerning abatement, an administering authority determines to amend the policy, it must publish a statement of the amended policy before the expiry of the period of one month beginning with the date of its determination.

(5) In formulating its policy concerning abatement, an administering authority must have regard—

- (a) to the level of potential financial gain at which it wishes abatement to apply;

- (b) to the administrative costs which are likely to be incurred as a result of abatement in the different circumstances in which it may occur; and
- (c) to the extent to which a policy not to apply abatement could lead to a serious loss of confidence in the public service.

(6) In paragraph (5)(a) the reference to financial gain is a reference to the financial gain which it appears to the administering authority may be obtained by a member as a result of his entitlement both to a pension and to pay under the new employment.

Application of abatement policy to individual cases

71.—(1) Where a member who is entitled to the payment of a retirement pension proposes to enter a new employment with an employing authority, he must inform the employer about that entitlement.

(2) If such a member enters such a new employment, he must immediately notify in writing the body from whom he has become entitled to receive the pension.

(3) Paragraphs (1) and (2) do not apply where the new employment is employment in which the person is eligible to belong to a teachers' scheme.

(4) The authority which is the member's appropriate administering authority as respects the retirement pension to which he is entitled—

- (a) must have regard to regulation 12 of the Transitional Regulations;
- (b) must apply to the member the policy published by it under regulation 70; and
- (c) may reduce the annual rate of that pension or, as the case may be, may cease to pay it, during the period while the member holds the new employment, in accordance with that policy.

(5) A retirement pension paid following a request under regulation 18(1) of the Benefits Regulations (flexible retirement) is not subject to abatement under regulation 70 in respect of any subsequent employment with the person who is his employer at the date of his request.

Forfeiture of pension rights after conviction of employment-related offences

72.—(1) If a member is convicted of a relevant offence, his former employing authority may apply to the Secretary of State who may issue a forfeiture certificate.

(2) A relevant offence is an offence, committed in connection with an employment in which the person convicted is a member, and because of which he has left that employment.

(3) Where a forfeiture certificate is issued, the member's former employing authority may direct that any of the rights in respect of him under the Benefits Regulations, these Regulations or the Earlier Regulations as respects his previous membership are forfeited.

(4) A forfeiture certificate is a certificate that the offence—

- (a) was gravely injurious to the State, or
- (b) is liable to lead to serious loss of confidence in the public service.

(5) If the former employing authority incurred loss as a direct consequence of the relevant offence, it may only give a direction under paragraph (3) if it is unable to recover its loss under regulation 74 or 76 or otherwise, except after an unreasonable time or at disproportionate cost.

(6) A direction under paragraph (3) may only be given if an application for a forfeiture certificate has been made by the former employing authority before the expiry of the period of three months beginning with the date of the conviction.

(7) Where a former employing authority applies for a forfeiture certificate, it must at the same time send the convicted person and the appropriate administering authority a copy of the application.

Interim payments directions

73.—(1) If—

- (a) a person leaves an employment in which he was a member, because of an offence in connection with that employment; and
- (b) a forfeiture certificate has been issued under regulation 72(1) in respect of that offence,

his former employing authority may give an interim payments direction to the appropriate administering authority.

(2) But it may not give such a direction if it has—

- (a) notified him of a decision under regulation 55 (first instance decisions) on any question as to entitlement to benefit; or
- (b) given any direction under [regulation 72\(3\)](#) (“a forfeiture direction”).

(3) An interim payments direction is a direction to make interim payments to any person who appears to the former employing authority to be a person who would be entitled to receive payment of a benefit under the Scheme if no forfeiture direction were given.

(4) The person to whom payments must be made and the amounts must be specified in the direction.

(5) The amounts must not exceed the amounts which the person specified would be entitled to be paid if no forfeiture direction were given.

(6) An interim payments direction is not a decision under regulation 55 as to any person’s entitlement to a benefit.

(7) Payments in accordance with an interim payments direction shall be deemed to be payments in respect of a benefit to which the recipient was entitled (regardless of any contrary forfeiture direction or decision under regulation 55).

Recovery or retention where former member has misconduct obligation

74.—(1) This regulation applies where a person—

- (a) has left an employment, in which he was or had at some time been a member, in consequence of a criminal, negligent or fraudulent act or omission on his part in connection with that employment;
- (b) has incurred some monetary obligation, arising out of that act or omission, to the body that was his employing authority in that employment; and
- (c) is entitled to benefits under [the Local Government Pension Scheme \(Benefits, Membership and Contributions\) Regulations 2007 \(S.I. 2007/1166\)](#).

(2) The former employing authority may recover or retain out of the appropriate fund—

- (a) the amount of the monetary obligation; or
- (b) the value at the time of the recovery or retention of all rights in respect of the former employee under the Scheme with respect to his previous membership (as determined by an actuary),

whichever is less.

(3) The rights specified in paragraph (2) (b) do not include rights enjoyed by virtue of the receipt of a transfer value or credited by virtue of AVCs or SCAVCs.

(4) The former employing authority must give the former employee—

- (a) not less than three months’ notice of the amount to be recovered or retained under paragraph (2); and

- (b) a certificate showing the amount recovered or retained, how it is calculated, and the effect on his benefits or prospective benefits.

(5) If there is any dispute over the amount of the monetary obligation specified in paragraph (1) (b), the former employing authority may not recover or retain any amount under paragraph (2) until the obligation is enforceable under an order of a competent court or the award of an arbitrator.

Protection of guaranteed minimum pension rights

75.—(1) The power—

- (a) to give directions under regulation 72(3); or
- (b) to recover or retain amounts under regulation 74(2),

may not be exercised so as to deprive a person of his guaranteed minimum pension or any widow's, widower's or surviving civil partner's guaranteed minimum pension.

(2) But such a power may be so exercised if the person left his employment—

- (a) because of the offence of treason; or
- (b) because of one or more offences under the Official Secrets Act 1911 to 1989⁽⁴⁶⁾ for which the former member has been sentenced on the same occasion—
 - (i) to a term of imprisonment of at least 10 years, or
 - (ii) to two or more consecutive terms amounting in the aggregate to at least 10 years.

Transfer of sums from the pension fund to compensate for former member's misconduct

76.—(1) This regulation applies where—

- (a) a person has left an employment in which he was a member because of—
 - (i) an offence involving fraud, or
 - (ii) grave misconduct,in connection with that employment;
- (b) his former employing authority in that employment has suffered direct financial loss by reason of the offence or misconduct; and
- (c) either—
 - (i) the former employee became entitled to benefits under the Benefits Regulations and these Regulations or the 1997 Regulations and a forfeiture direction has been given, or
 - (ii) he did not become so entitled and on leaving the employment became entitled to a return of contributions under regulation 46 (whether or not he has waived his right).

(2) If the former employing authority is an administering authority, it may transfer an appropriate amount from its pension fund to the appropriate fund or account.

(3) Otherwise, the appropriate administering authority must pay the former employing authority an appropriate amount out of the pension fund, if requested to do so.

(4) An appropriate amount is an amount not exceeding—

- (a) the amount of the direct financial loss, or
- (b) the amount of any contributions which could have been returned to the former employee, or paid to his spouse, civil partner, nominated cohabiting partner or a dependant, under

⁽⁴⁶⁾ 1911 c.28 and 1989 c.6.

regulation 47(2) of these Regulations or regulation 88(2) of the 1997 Regulations, less the amount of any contributions which have been so returned or paid, whichever is the less.

(5) If after making a payment under paragraph (3) the appropriate administering authority is required to make any transfer payment under Chapter 4 or Chapter 5 of Part 4 of the Pension Schemes Act 1993 or to make a payment under regulation 86 (changes of fund) for a former employee, the former employing authority must repay it, if requested to do so.

PART 9

TRANSFERS

Interpretation of Part

77. In this Part—

“the 1993 Act” means the Pension Schemes Act 1993(47);

“Chapters 4 and 5” means Chapters 4 and 5 of Part 4 of that Act (transfer values and early leavers);

“club scheme” means an occupational pension scheme which—

- (a) (except where it is established and maintained in the Channel Islands or the Isle of Man) is a registered scheme;
- (b) provides benefits calculated by reference to final pay;
- (c) is open to new participants, or is a closed scheme the trustees or managers of which also provide an open scheme which is a club scheme for new employees of the same employer and of the same grade or level of post as the participants in the closed scheme; and
- (d) complies with reciprocal arrangements for the payment and receipt of transfer values with the schemes made under section 7 of the Superannuation Act 1972(48).

Application of Chapter 4 etc

78.—(1) For the purposes of—

- (a) sections 12C (requirements as to transfer, commutation etc. for contracting-out), 19 (discharge of liability) and 20 (transfer of accrued rights) of the 1993 Act;
- (b) Chapters 4 and 5; and
- (c) any regulations made under any of those sections or Chapters 4 and 5,

the managers of the Scheme in relation to a member are the fund authority.

(2) A member with a period of membership of under three months shall have the same rights to a cash transfer sum as if the three month condition in section 101AA(1)(b)(i) of the 1993 Act(49) were satisfied and Chapter 5 applied to him.

(3) Despite regulation 2 of the Occupational Pension Schemes (Transfer Values) Regulations 1996(50) (pre-1986 leavers), Chapter 4 shall apply to all members of the Scheme regardless of the date of termination of their pensionable service.

(47) 1993 c.48; Part 5 was inserted by the Pensions Act 2004 (c.35), section 264.

(48) 1972 c.11.

(49) Section 101AA was inserted by section 264 of the Pensions Act 2004.

(50) S.I.1996/1847.

(4) Regulation 5 of those Regulations (treatment of a number of employments as a single employment) only applies if the employments are treated as a single employment for the purposes of the Scheme.

(5) Regulation 10(2)(a) of those Regulations (interest on late payment of cash equivalents) does not apply where the member has required the cash equivalent to be paid to a club scheme.

(6) Regulation 18 of those Regulations (termination of pensionable service in certain circumstances to be disregarded) only applies if, in any case, no election has been made under regulation 16(1) (re-employed and rejoining deferred members), or regulation 17 (concurrent employments) to have the service which terminated aggregated with later or concurrent service or no election has been made under regulation 46(4) (rights to return of contributions).

(7) For this regulation and regulation 79—

- (a) the fund authority, in relation to a member, is the body maintaining the pension fund to which he was contributing immediately before his pensionable service terminated; but
- (b) if that fund has been closed, the fund authority is the body which would be liable to pay him his pension for that employment if he had been entitled to receive payment of such a pension when his pensionable service terminated.

(8) In this regulation “pensionable service” has the same meaning as in section 70 of the 1993 Act.

Rights to payment out of fund authority’s pension fund

79.—(1) A member may apply for a transfer under Chapter 4 or 5 (as modified by regulation 78) and where he does so the amount of any transfer payment due in respect of the member under the relevant Chapter may only be paid by the fund authority from its pension fund if the transfer payment is a recognised transfer (within the meaning of section 169 of the Finance Act 2004(**51**)).

(2) Where such a transfer payment is to be or has been paid from a fund, no other payment or transfer of assets may be made from the fund as respects the accrued rights covered by the transfer payment.

(3) Paragraph (2) overrides anything to the contrary in—

- (a) the Former Regulations;
- (b) any local Act scheme;
- (c) the Earlier Regulations; or
- (d) any other provision of these Regulations, the Benefits Regulations or the Transitional Regulations.

Contracting-out requirements affecting transfers out

80.—(1) There must be deducted from the transfer payment to be made in respect of any person—

- (a) the amount of any contributions equivalent premium payable pursuant to section 55 of the 1993 Act; or
- (b) an amount sufficient to meet the liability in respect of his contracted-out rights.

(2) But the amount mentioned in paragraph (1) may not be deducted where the transfer payment is made to a registered pension scheme which is contracted-out.

(3) Where the amount mentioned in paragraph (1)(a) is deducted, the appropriate administering authority must use that amount to pay the premium.

(4) Where the amount mentioned in paragraph (1)(b) is deducted, the appropriate administering authority may use the amount in preserving the liability mentioned in that paragraph in the

appropriate fund, unless the member wishes a transfer payment in respect of it to be paid to the trustees or managers of a non-contracted out registered pension scheme.

- (5) Contracted-out rights, in relation to a member, are—
- (a) his and his surviving spouse's or civil partner's or nominated cohabiting partner's rights to guaranteed minimum pensions, and
 - (b) his section 9(2B) rights (as defined in regulation 1(2) of the Occupational Pension Schemes (Contracting-out) Regulations 1996⁽⁵²⁾).

Bulk transfers (transfers of undertakings etc.)

81.—(1) This regulation applies where—

- (a) two or more members' active membership ends on their joining a registered non-local government scheme ("the new scheme");
- (b) it is agreed by—
 - (i) the members' appropriate administering authority,
 - (ii) the members' employing authorities (if different), and
 - (iii) the trustees or managers of the new scheme,
 that a payment should be made under this regulation; and
- (c) the members—
 - (i) agree in writing that that payment should be made instead of any payment which they otherwise might require to be made under Chapter 4 or 5, and
 - (ii) waive any rights they might have under those Chapters by virtue of the cessation of their active membership.

(2) The appropriate administering authority must not give its agreement under paragraph (1)(b) unless it is satisfied that the rights that each of the members will acquire under the new scheme are at least equivalent to those which he would have obtained if a transfer value had been paid to the same scheme under Chapter 4 or 5, as it applies by virtue of regulation 78 (assuming in any case where the member would not be entitled to such a payment that he was).

(3) The appropriate administering authority must provide each member with sufficient information in writing to check that fact before he agrees as mentioned in paragraph (1)(c).

(4) The appropriate administering authority must—

- (a) set aside (whether in cash or in assets or both) such part of the appropriate fund ("the transfer payment") as an actuary appointed by the authority and an actuary appointed by the trustees or managers of the new scheme for the purpose may agree as appropriate for the acquisition of such rights in that scheme as they may so agree; and
- (b) pay or transfer it to the trustees or managers of the new scheme for the benefit of the relevant members.

(5) The appropriate administering authority must certify to the new scheme's trustees or managers the amount included in the transfer payment which represents each member's contributions and interest on them.

(6) Where a transfer payment is to be or has been made under this regulation, no other payment or transfer of assets shall be made from the pension fund by reason of membership covered by the transfer payment.

(7) Paragraph (6) overrides anything to the contrary in—

(52) [S.I.1996/1172](#). The definition of "section 9(2B) rights" was substituted by [S.I.1997/786](#) and amended by [S.I.1999/3198](#).

- (a) the Former Regulations;
- (b) any local Act scheme;
- (c) the Earlier Regulations; or
- (d) these Regulations or the Benefits Regulations.

Calculation of amount of transfer payment under regulation 81

82.—(1) The amount of the transfer payment to be paid under regulation 81 is the amount determined by an actuary appointed by the members' appropriate administering authority to be equal to the value at the date they join the new scheme of the actual and potential liabilities payable from its fund which have then accrued in respect of the members and the persons who are or may become entitled to benefits under the Scheme through them.

(2) The actuary may make such adjustments as he thinks fit in calculating that amount and, in particular, as respects the period from that date to the date of actual payment of the transfer value.

(3) He must specify in his valuation the actuarial assumptions he has used in making it.

(4) The employing authority shall bear the costs of determining the appropriate part of the fund and apportioning the fund.

(5) But if there is more than one employing authority involved, each shall bear such part of the costs as the actuary determines to be appropriate.

Inward transfers of pension rights

83.—(1) If a person who becomes an active member has relevant pension rights, he may request his fund authority to accept a transfer value for some or all of those rights from the relevant transferor.

(2) Relevant pension rights are accrued rights under a registered scheme but do not include rights to benefits under the scheme which are attributable (directly or indirectly) to a pension credit.

(3) Accrued rights include rights to preserved benefits and rights appropriately secured under section 19 of the 1993 Act.

(4) For the purposes of this regulation and regulation 84, the fund authority, in relation to a transferring person, is the body maintaining the pension fund of the Scheme to which he is contributing.

(5) The relevant transferor is the trustees or managers of the scheme under which the transferring person's relevant pension rights arise.

(6) But the relevant transferor for the rights specified in paragraph (3) is the trustees or managers of the scheme, or the insurance company, to which a payment in respect of his accrued rights has been made.

(7) A request from a transferring person under paragraph (1) must be made by notice in writing.

(8) That notice must be given before the expiry of the period of 12 months beginning with the date he became an active member (or such longer period as his employer may allow).

(9) Where a request under paragraph (1) is duly made the fund authority may accept the transfer value and credit it to its pension fund.

Right to count credited period

84.—(1) Where a transfer value has been accepted under regulation 83, the member may count the credited period as a period of membership for these Regulations.

(2) If the transfer value—

- (a) is paid by the trustees or managers of a club scheme and the member has made the request under regulation 83 before the expiry of 12 months beginning with the date he became an active member;
- (b) represents all the rights relating to the member in that scheme, and
- (c) has been calculated—
 - (i) in a case where Chapter 4 or 5 applies, in accordance with that Chapter, and
 - (ii) otherwise, in a manner consistent with that prescribed under the relevant Chapter,

the credited period is the period which, if used to calculate a transfer value to be paid by the Scheme, would produce an amount equal to the transfer value received.

(3) If paragraph (2) does not apply, the credited period must be calculated in a manner consistent with Chapter 4 or 5.

(4) In calculating the credited period under paragraph (3) due allowance must be given for the expected increase in the member's pensionable pay between the date he became a member (or, if more than twelve months later, the date on which the transfer value is received) and his normal retirement age.

- (5) The fund authority must give the member a written notice—
 - (a) stating the period of membership he may count under paragraph (1); and
 - (b) containing a conspicuous statement giving the address from which further information may be obtained.

Community scheme transferees

85.—(1) The persons mentioned in paragraph (2) are entitled to such rights under the Scheme as are specified in guidance issued by the Government Actuary.

- (2) Those persons are—
 - (a) a person who became employed by a Community institution after having been employed in local government employment; or
 - (b) a surviving spouse, civil partner, nominated cohabiting partner, dependant or child of such a person.
- (3) In this regulation—
 - (a) “Community institution” means a body treated as one of the Communities’ institutions for the purposes of the Communities’ scheme; and
 - (b) “the Communities’ scheme” means the pension scheme provided for officials and other servants of the Communities in accordance with regulations adopted by the Council of the European Communities.

Changes of fund

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations set out provisions relating to the administration of the new Local Government Pension Scheme ("the Scheme") which is to come into existence on 1st April 2008 and is constituted by these Regulations, the Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007 ("the Benefit Regulations") and the Local Government Pension Scheme (Transitional Provisions) Regulations 2008.

The provisions in these Regulations supersede without modification most of those in the Local Government Pension Scheme Regulations 1997 that they replace. Reference is made where relevant to nominated cohabiting partners as they are a category of dependent beneficiary in the Benefits Regulations. The other main changes are mentioned in the following description of the arrangement of these Regulations.

The Regulations are divided into the following Parts—

Part 1 deals with citation, commencement and application, interpretation and the Regulations' application to the Isles of Scilly;

Part 2 sets out rules relating to membership of the Scheme. Regulation 13 (joining the Scheme) does not require any person who is eligible to be a member of the Scheme to apply to be such, unless he is applying for membership on a date other than that on which he would otherwise automatically become a member or he is the employee of an admission body;

Part 3 deals with contributions. Regulation 23 (additional regular contributions) sets out the applicable procedure in circumstances where a member chooses to pay additional contributions under regulation 14 of the Benefits Regulations. Regulations 25 to 27 simplify and update provisions dealing with additional voluntary contributions and shared cost additional voluntary contributions;

Part 4 deals with pension funds and employers' payments. Regulation 44 (interest) provides that interest payable on overdue amounts is payable from the day after the amount is due rather than from one month after the due date, the only exception being any extra charge payable by an employing

authority under regulation 40 (employer's payment following resolution to increase membership or award additional pension) or regulation 41 (employer's further payments);

Part 5 deals with payment of benefits;

Part 6 deals with determination of questions and disputes. Regulation 55 requires the employing authority to decide what contribution rate a member must pay. This is consequential on regulation 3 of the Benefits Regulations, which provides that the contribution rate a member pays is based on his pensionable pay and a range of pay bands;

Part 7 deals with policy statements and information;

Part 8 deals with special adjustments;

Part 9 deals with transfers.

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of businesses, charities or voluntary bodies and does not have a significant financial impact on any public bodies.
