The West Suffolk (Local Government Changes) Order 2018

PART 3

Transitional functions and their discharge

Other functions of the shadow authority

- 15.** The powers conferred by article 14 may be exercised by the shadow authority only—
- (a) in the discharge of the functions specified or referred to in articles 8 to 11 and 13; and
 - (b) in the same manner, and subject to the same conditions and limitations, as if it were a non-metropolitan district council; and
 - (c) where the exercise of the power would involve incurring expenditure or acquiring a liability, where the expenditure or liability relates to a matter which, before 1st April 2019, is the responsibility of one of the Relevant Councils, with the prior consent of that council.
