These Regulations are made in exercise of the powers in section 8(1) of the European Union (Withdrawal) Act 2018 (c. 16), in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under section 8(2)(a), (b), (c), (d) and (g)) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations make amendments to legislation in the field of aviation safety. None of the changes being made alter the technical requirements and standards established by the legislation.

Part 3 amends a principal EU Regulation. It amends Regulation (EC) No 2111/2005 on the establishment of a Community list of air carriers subject to an operating ban within the Community and on informing air transport passengers of the identity of the operating carrier.

Part 4 amends various EU implementing Regulations adopted by the European Commission, to take account of amendments to these made by new Commission Regulations.
