- (2) Where the trustees specify a reasonable period (not being less than 28 days) within which they must receive representations from the employers, sub-paragraph (1)(b) does not require them to consider any representations received after the end of that period.

Investment by trustees

- 4.—(1) The trustees of a trust scheme must exercise their powers of investment, and any fund manager to whom any discretion has been delegated under Article 34(12) (power of investment and delegation) must exercise the discretion, in accordance with this regulation.

- (9) For the purposes of paragraph (5)—
- (a) an investment in a collective investment scheme shall be treated as an investment on a regulated market to the extent that the investments held by that scheme are themselves so invested, and
 - (b) a qualifying insurance policy shall be treated as an investment on a regulated market.
- (10) To the extent that the assets of a scheme consist of qualifying insurance policies, those policies shall be treated as satisfying the requirement for proper diversification when considering the diversification of assets as a whole in accordance with paragraph (7).

Connected and associated persons

10. Articles 4 and 7 of the Insolvency (Northern Ireland) Order 1989⁽¹⁸⁾ (associated and connected persons) shall be modified in their application for the purposes of Article 40 (restriction on employer-related investments) and these Regulations so that a company shall not be connected with another company solely by reason of one or more of its directors being a director of that other company.

Prescription of investments as employer-related investments

11. For the purposes of Article 40(2)(e), the following are prescribed as employer-related investments—

⁽¹⁷⁾ S.I. 1999/3147 (N.I. 11)

⁽¹⁸⁾ S.I. 1989/2405 (N.I. 19); Article 4 was modified by Schedule 3 to S.R. 2004 No. 307 and amended by paragraph 80 of Schedule 29 to the Civil Partnership Act 2004 (c. 33) and Article 7 was modified by Schedule 3 to S.R. 2004 No. 307

- (a) the proportion attributable to the scheme's resources (whether directly or through any intervening collective investment scheme) of any investments which—
 - (i) have been made by the operator of any collective investment scheme, and
 - (ii) would have been employer-related investments if they had been made by the scheme;
- (b) any guarantee of, or security given to secure, obligations of the employer or of any person who is connected with, or an associate of, the employer, and for the purposes of Article 40 and these Regulations a guarantee or security given by the trustees or managers shall be regarded as an investment of resources of the scheme equal to the amount of the obligations guaranteed or secured;
- (c) any loan arrangement entered into with any person whereby the trustees' or managers' right to or expectation of repayment depends on the employer's actions or situation, unless it was not the trustees' or managers' purpose in entering into the arrangement to provide financial assistance to the employer;
- (d) where any of a scheme's resources are invested in an insurance policy the terms of which permit—
 - (i) the premiums or other consideration for the rights acquired under the policy, or
 - (ii) any monies otherwise credited to or for the benefit of the trustees or managers or the members,
 to be invested in a fund created only for the purposes of that policy, the proportion of the scheme's resources invested in that policy which is the same proportion as B is of A where—
 - A represents all the assets of the insurer held in the fund, and
 - B represents that part of A which would, if invested by the scheme, be employer-related investments, and
- (e) where any of a scheme's resources are invested in an insurance policy (not being resources invested in a fund created only for the purposes of that policy) the terms of which permit the trustees or managers or the employer to direct that—
 - (i) some or all of the premiums or other consideration for the rights acquired under the policy, or
 - (ii) any monies otherwise credited to or for the benefit of the trustees or managers or the members,
 are invested in employer-related investments, any investments made by the insurer from those premiums or other consideration or monies, which would have been employer-related investments if they had been made by the scheme.

(5) This regulation applies to sums due from the employer to the trustees by virtue of a provision in an order under Article 7(19) (appointment of trustees) such as is permitted by Article 8(1)(20) (orders appointing trustees may provide that certain sums are to be treated as a debt due from the employer to the trustees).

(6) This regulation applies to sums which fall or fell to be treated as debts due from the employer to the trustees or managers by virtue of—

- (a) Article 75(2) and (4)(21) (deficiencies in the assets);

- (10) Subject to paragraph (11), where the disposal of assets on the winding up of a scheme would otherwise result in a contravention of these Regulations, any employer-related investments held before the commencement of the winding up may be retained while the scheme is being wound up, but there shall be no new investment in employer-related investments while the resources retained under this paragraph exceed 5 per cent. of the current market value of the resources of the scheme.

Loans that become employer-related

15.—(1) If either a loan or a security which is an investment creating or acknowledging a debt becomes an employer-related loan on or after 6th April 1997 as a result of a change in the ownership of the employer or the person to whom the loan was made, the loan or security may be retained until whichever is the later of—

- (b) contributions payable to the scheme by an employer, or by a member in employment under that employer, are allocated to that employer’s section (or, if more than one section applies to the employer, to the section which is appropriate in respect of the employment in question), and

then regulations 10 to 15 shall apply as if each section of the scheme were a separate scheme.

(c) those conditions have ceased to be satisfied in relation to one or more sections (whether before or after 6th April 1997) by reason only of there being no members in pensionable service under the section and no contributions which are to be allocated to it, then regulations 10 to 15 shall apply as if the section in relation to which those conditions have ceased to be satisfied were a separate scheme.

(3) For the purposes of paragraphs (1) and (2), there shall be disregarded any provisions of the scheme by virtue of which contributions or transfers of assets may be made to make provision for death benefits; and where paragraph (1) or (2) applies and contributions or transfers are so made to a section (“the death benefits section”) the assets of which may only be applied for the provision of death benefits, the death benefits section shall also be treated as if it were a separate scheme for the purposes of regulations 10 to 15.

(a) in regulation 12(2)(a) for “employer-related investments” there shall be substituted “investments which are employer-related investments in relation to a particular employer, and employer-related investments overall must not exceed a prudent level and in any event must not exceed 20 per cent. of the current market value of the scheme”, and

(b) for regulation 14(4) there shall be substituted—

“(4) There shall be no new investment in employer-related investments while—

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations replace, with amendments, and revoke the Occupational Pension Schemes (Investment) Regulations (Northern Ireland) 1996. The Regulations supplement changes made to the Pensions (Northern Ireland) Order 1995 (“the 1995 Order”) by the Pensions (Northern Ireland) Order 2005. They include provisions to implement certain requirements of the Directive [2003/41/EC](#) of the European Parliament and of the Council on the activities and supervision of institutions for occupational retirement provision (O.J. No. L235, 23.9.2003, p.10) (“the Directive”), in particular of Articles 12 and 18.

The Regulations impose requirements on trustees of occupational pension schemes in relation to the statement of investment principles required under Article 35 of the 1995 Order and in relation to the choosing of investments. They impose restrictions on borrowing and the giving of guarantees by trustees and in respect of employer-related investments.

Regulation 1 makes provision for citation, commencement and interpretation.

Regulation 2 sets out requirements in respect of the statement of investment principles required under Article 35 of the 1995 Order.

Regulation 3 sets out modified requirements in respect of such statements for schemes in relation to which there is more than one employer.

Regulation 4 sets out requirements in respect of choosing investments.

Regulation 5 sets out restrictions in respect of borrowing and guarantees.

Regulations 6 to 9 disapply Article 35 of the 1995 Order and disapply or modify certain requirements of regulations 2 to 5, in respect of certain schemes.

Regulation 10 defines the expressions “connected persons” and “associated persons” as they apply in these Regulations.

Regulations 11 to 16 prescribe certain investments as employer-related investments in addition to those specified in Article 40(2) of the 1995 Order and set out the restrictions on employer-related investments. They also prescribe investments to which the restrictions do not apply. Special provision is made as regards the application of the restrictions to schemes in relation to which there is more than one employer.

Regulation 17 makes special provision in the case of a scheme undertaking cross-border activities.

Regulation 18 makes consequential revocations.

As these Regulations make in relation to Northern Ireland only provision corresponding to provision contained in regulations made by the Secretary of State for Work and Pensions in relation to Great
