- (a) confers or imposes on an Electricity Board or the Electricity Council any rights or liabilities which vest in the appropriate successor company by virtue of this Act; and
- (b) refers (in whatever terms and whether expressly or by implication) to a member or officer of that Board or Council,

the agreement shall have effect, in relation to anything falling to be done on or after that date, as if for that reference there were substituted a reference to such person as that company may appoint or, in default of appointment, to the officer of that company who corresponds as nearly as may be to the member or officer of the Board or Council in question.

- (2) References in this paragraph to an agreement include references to a deed, bond or other instrument.
- 25 (1) Any agreement made, transaction effected or other thing done by, to or in relation to an Electricity Board or the Electricity Council which is in force or effective immediately before the transfer date shall have effect as if made, effected or done by, to or in relation to the appropriate successor company, in all respects as if that company were the same person in law as the Board or Council; and accordingly references to an Electricity Board or the Electricity Council—

26 It is hereby declared for the avoidance of doubt that—

- (a) the effect of Part II of this Act in relation to any contract of employment with an Electricity Board or the Electricity Council which is in force immediately before the transfer date is merely to modify the contract by substituting the appropriate successor company as the employer (and not to terminate the contract or vary it in any other way); and
- (b) that Part is effective to vest the rights and liabilities of an Electricity Board or the Electricity Council under any agreement or arrangement for the payment of pensions, allowances or gratuities in the appropriate successor company along with all other rights and liabilities of the Board or Council;

and accordingly any period of employment with an Electricity Board or the Electricity Council, or a wholly owned subsidiary of such a Board or that Council, shall count for all purposes as a period of employment with the appropriate successor company or (as the case may be) a wholly owned subsidiary of the appropriate successor company.

27 The ^{M1}Transfer of Undertakings (Protection of Employment) Regulations 1981 shall apply to any transfer effected by Part II of this Act, being a transfer of—

- 38 (1) Where an asset, or the right to receive an asset, vests in a successor company by virtue of this Act, then for the purposes of Part I of the ^{M8}Industry Act 1972 and Part II of the ^{M9}Industrial Development Act 1982—

- (2) In this paragraph “regional development grant” means a grant under Part I of the Industry Act 1972 or Part II of the Industrial Development Act 1982 and “approved capital expenditure” has the same meaning as it has for the purposes of the provisions relating to regional development grant.

- 39 (1) Where a distribution is proposed to be declared during the accounting reference period of a successor company which includes the transfer date or before any accounts are laid or filed in respect of that period, sections 270 to 276 of the ^{M10}Companies Act 1985 (accounts relevant for determining whether a distribution may be made by a company) shall have effect as if—
- (a) references in section 270 to the company's accounts or to accounts relevant under that section; and
 - (b) references in section 273 to initial accounts,
- included references to such accounts as, on the assumptions stated in subparagraph (2) below, would have been prepared under section 227 of that Act in respect of the relevant year.
- (2) The said assumptions are—
- (a) that the relevant year had been a financial year of the successor company;
 - (b) that the vesting effected by Part II of this Act had been a vesting of all the property, rights and liabilities (other than excepted rights and liabilities within the meaning of section 66 or 67 of this Act) to which the Board or Council concerned was entitled or subject immediately before the beginning of the relevant year and had been effected immediately after the beginning of that year;
 - (c) that the value of any asset and the amount of any liabilities of the Board or Council concerned vested in the successor company by virtue of that section had been the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the statement of accounts prepared by that Board or Council in respect of the financial year immediately preceding the relevant year;
 - (d) that any securities of the successor company issued or allotted before the declaration of the distribution had been issued or allotted before the end of the relevant year; and
 - (e) such other assumptions (if any) as may appear to the directors of the successor company to be necessary or expedient for the purposes of this paragraph.
- (3) For the purposes of the said accounts the amount to be included in respect of any item shall be determined as if anything done by the Board or Council concerned (whether by way of acquiring, revaluing or disposing of any asset or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the successor company.
- Accordingly (but without prejudice to the generality of the preceding provision) the amount to be included in any reserves of the successor company as representing its accumulated realised profits shall be determined as if any profits realised and retained by the Board or Council concerned had been realised and retained by the successor company.
- (4) The said accounts shall not be regarded as statutory accounts for the purposes of section 76 of this Act.
