WILDLIFE

**The Wildlife and Countryside Act 1981
(Variation of Schedules 5 and 8) Order 1992**

Made - - - - *1st October 1992*
Laid before Parliament *8th October 1992*
Coming into force - - *29th October 1992*

The Secretary of State—

having received a representation made jointly to him by the Nature Conservancy Councils;
having given any local authority affected and any other person affected an opportunity to submit objections or representations with respect to the subject matter of this Order;

being of the opinion that the animals and plants referred to in articles 2 and 3(1) of this Order are in danger of extinction in Great Britain or likely to become so endangered unless conservation measures are taken, and that the plants referred to in article 3(2) below are no longer so endangered or likely to become so endangered;

EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which applies throughout Great Britain, varies Schedules 5 and 8 to the Wildlife and Countryside Act 1981, which list animals and plants protected under that Act.

Article 2 adds eleven animals generally to Schedule 5, confers limited protection on two animals and extends the protection afforded to one animal.

Article 3 adds seventy-eight plants to Schedule 8 and removes three plants from protection.
