1993 No. 1283

The Plant Health (Forestry) (Great Britain) Order 1993

Powers of an officer of Customs and Excise

29.—(1) An inspector may request an officer of Customs and Excise (either orally or in writing) to prohibit the removal of any tree pest or relevant material which has not been cleared from Customs charge until it has been examined by an inspector and such request may identify the tree pest or relevant material in any way. A request made orally under this paragraph shall be confirmed in writing.

(2) Where a request has been made under paragraph (1) above, the officer of Customs and Excise shall, by notice in writing served upon the importer, require that, until the tree pest or relevant material has been examined by an inspector, it shall not be removed from the place specified in the notice and he shall at the same time inform an inspector of the contents of the notice.

(3) An inspector shall, without undue delay, examine any tree pest or relevant material in respect of which a notice has been served by an officer of Customs and Excise under this article and shall advise that officer in writing of the terms of any notice issued and of any other action taken by the inspector in accordance with this Order.

(4) Where an officer of Customs and Excise has served a notice under paragraph (2) above prohibiting removal of any tree pest or relevant material, nothing to which the notice relates shall be removed by any person except with the written authority of either the said officer or an inspector.
