
STATUTORY INSTRUMENTS

1993 No. 1320

The Plant Health (Great Britain) Order 1993

Requirements of registration

16.—(1) Each business, individual or other organisation listed in the official register shall fulfil the requirements specified in Schedule 10 to this Order.

(2) Each business, individual or other organisation listed in the official register shall notify the appropriate Minister of any change in the following—

- (a) species of plants or planting material propagated, grown or traded;
- (b) location of the propagating, growing or trading;
- (c) stage of growth at which plants and plant products are marketed;
- (d) the authorised person.
