2019 No. 330

The Town and Country Planning (General Permitted Development) (Amendment) (Wales) Order 2019

Minor operations: recharging electric vehicles

3. In Part 2 (minor operations) after Class C insert—

“Class D

Permitted development

D. The installation, alteration or replacement within an area lawfully used for off-street parking, of an electrical outlet mounted on a wall for recharging electric vehicles.

Development not permitted

D.1 Development is not permitted by Class D if the outlet and its casing would—

- (a) exceed 0.2 cubic metres;
- (b) face onto and be within two metres of a highway; or
- (c) be within a site designated as a scheduled monument.

Class E

Permitted development

E. The installation, alteration or replacement within an area lawfully used for off-street parking, of an upstand with an electrical outlet mounted on it for recharging electric vehicles.

Development not permitted

E.1 Development is not permitted by Class E if the upstand and the outlet would—

- (a) exceed 1.6 metres in height from the level of the surface used for the parking of vehicles;
- (b) be within two metres of a highway;
- (c) be within a site designated as a scheduled monument; or
- (d) result in more than one upstand being provided for each parking space.”
